Dedication....

For the first time in the history of our high school, the Sherman High School Athletic Association operates its own stadium. The student body this year has had the privilege of being the first to use this most modern and best-equipped stadium in North Texas. The **ATHENIAN** staff proudly dedicates the **1942 Athenian** to the

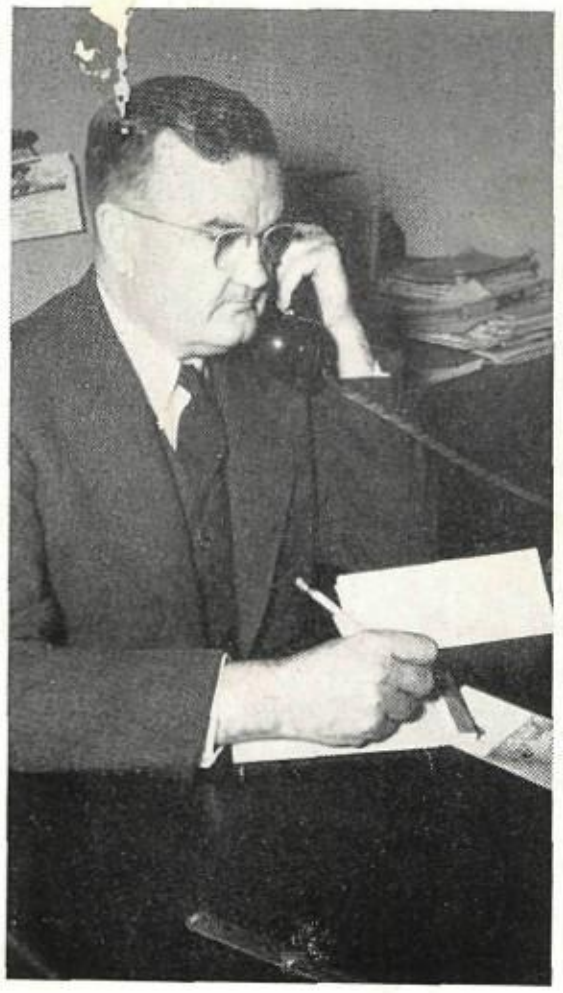
SUPERINTENDENT SPEER

Mr. Speer has been superintendent of the Sherman Public Schools since 1937. He was promoted to this office after having been principal of Sherman High School for 8 years. He came to Sherman 13 years ago from Eastland, Texas, where he served as principal. Mr. Speer received his degree from N T S T C and his Master's degree from the University of Colorado.

Mr. Speer's greatest love is working with the teachers and students. His staunch character and fairness to all are respected by everyone. We all look forward to his friendly talks in assembly and we welcome him at any time he can be with us. He has created in both students and faculty the urge to put the Sherman Schools out in front in any kind of contest.



PRINCIPAL BYRON DAVIS

Mr. Davis came to Sherman 11 years ago to accept a position with the Sherman Public Schools as head of the High School English Department. Before coming to Sherman, Mr. Davis was an English teacher and principal of the high school in Albany, Texas. He was made principal of Sherman High School in 1937.

Mr. Davis has always been willing to advise students and to help them solve their problems. His fondness for young people has made him want to know each student in our high school as a personal friend. This trait has endeared him to each student. His fairness in dealing with pupils is recognized by everyone and his eagerness to please others has made him many friends.

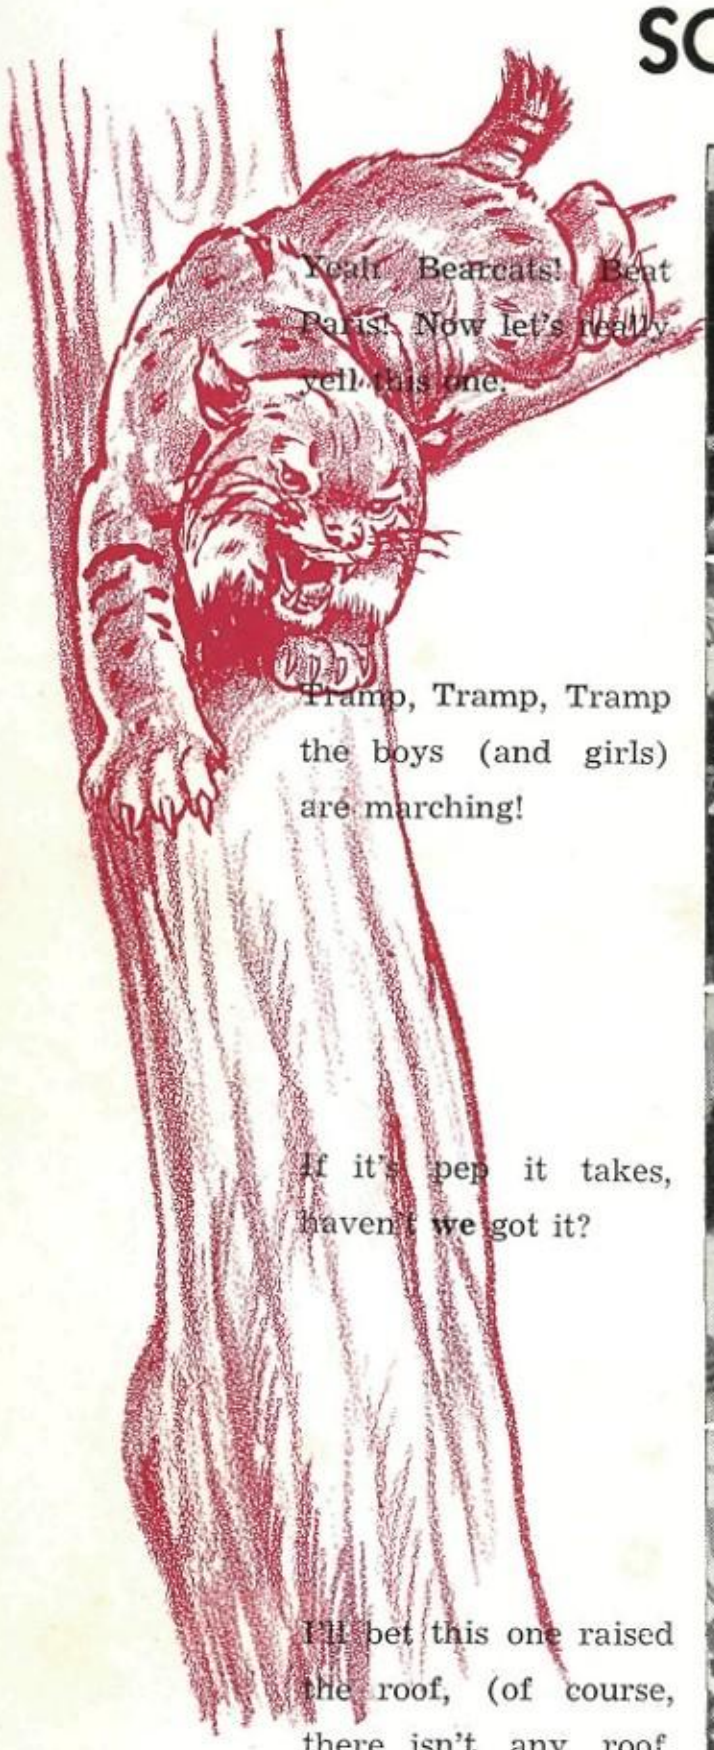
SCHOOL LIFE SNAPSHOTS



Yeah! Beatcats! Beat Paris! Now let's really yell this one.

Tramp, Tramp, Tramp the boys (and girls) are marching!

If it's pep it takes, haven't we got it?

I'll bet this one raised the roof, (of course, there isn't any roof, but that's all right).

Dixie Ashburn, drum majorette, struts her stuff.

Yeah, Seniors, we've really got the true spirit of Sherman High and we let everybody know it, too.

SCHOOL LIFE SNAPSHOTS

—And the band plays on.

Surely they had more pep than that, or did they?

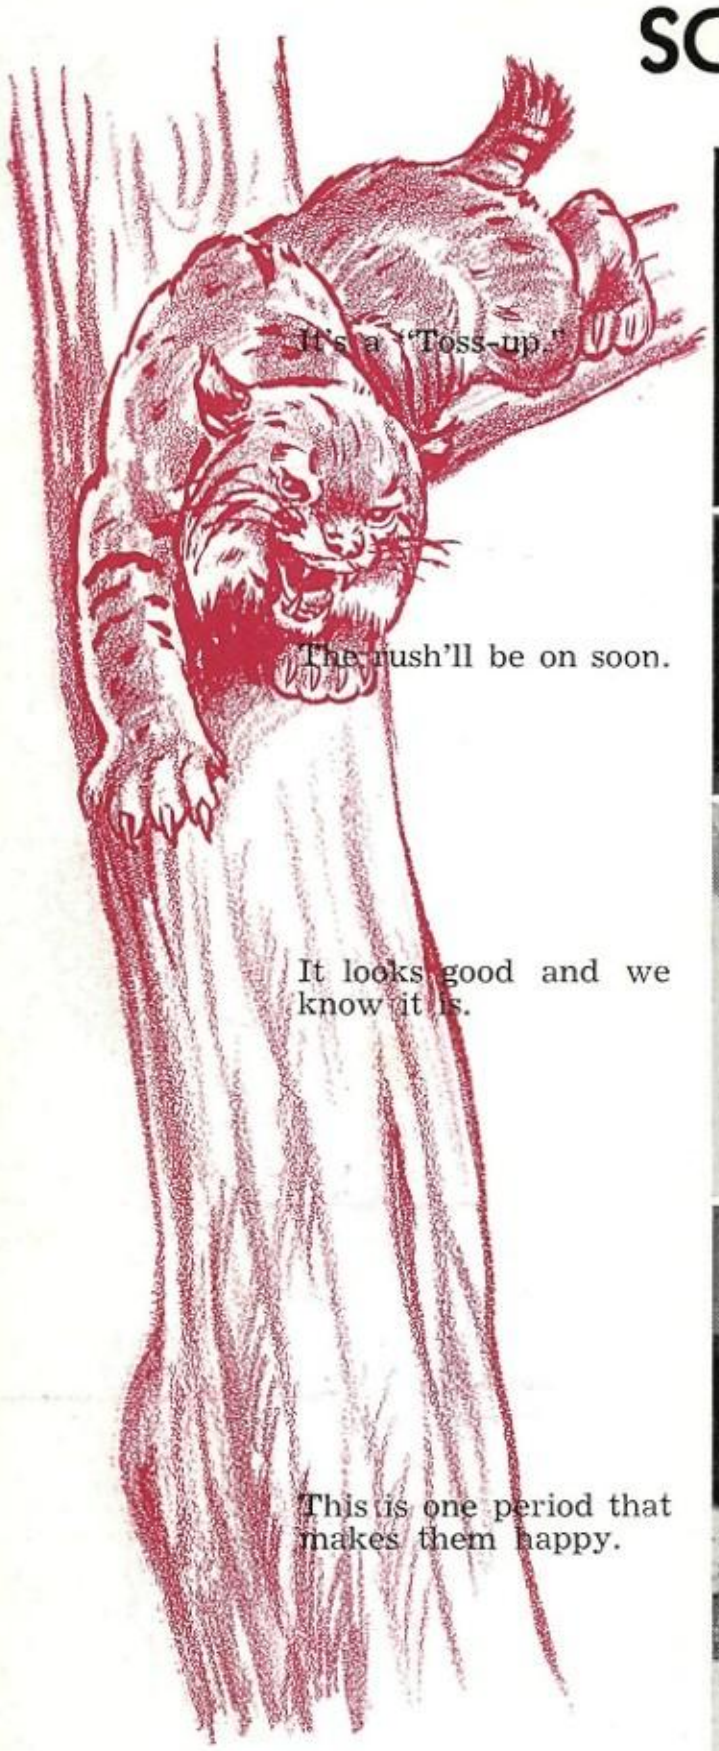
It's different but cute.

Announcement regarding the **Athenian** snapshot contest.

An orderly fire drill.

Just a few announcements before we get into the swing of things.

SCHOOL LIFE SNAPSHOTS



It's a "Toss-up."

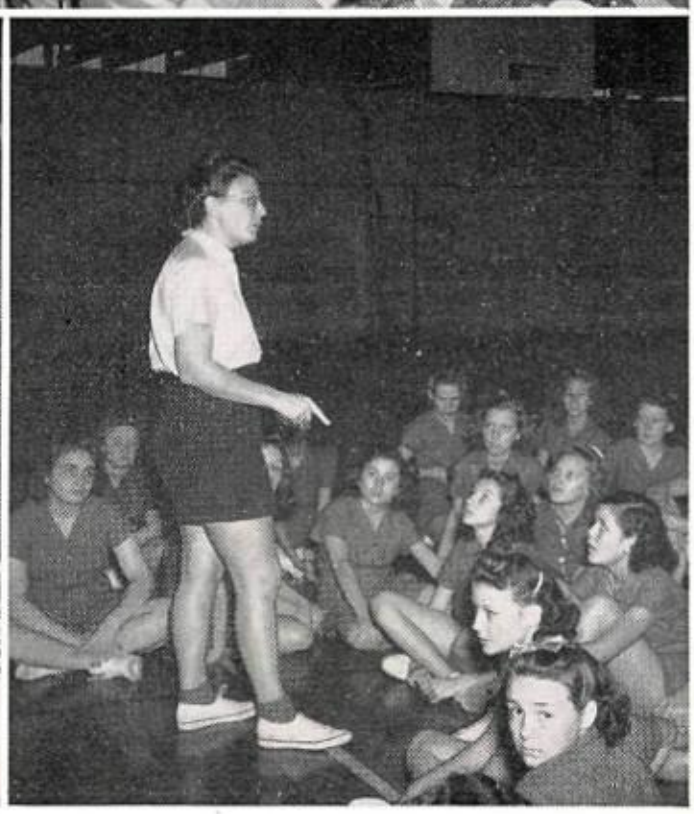
The rush'll be on soon.

It looks good and we know it is.

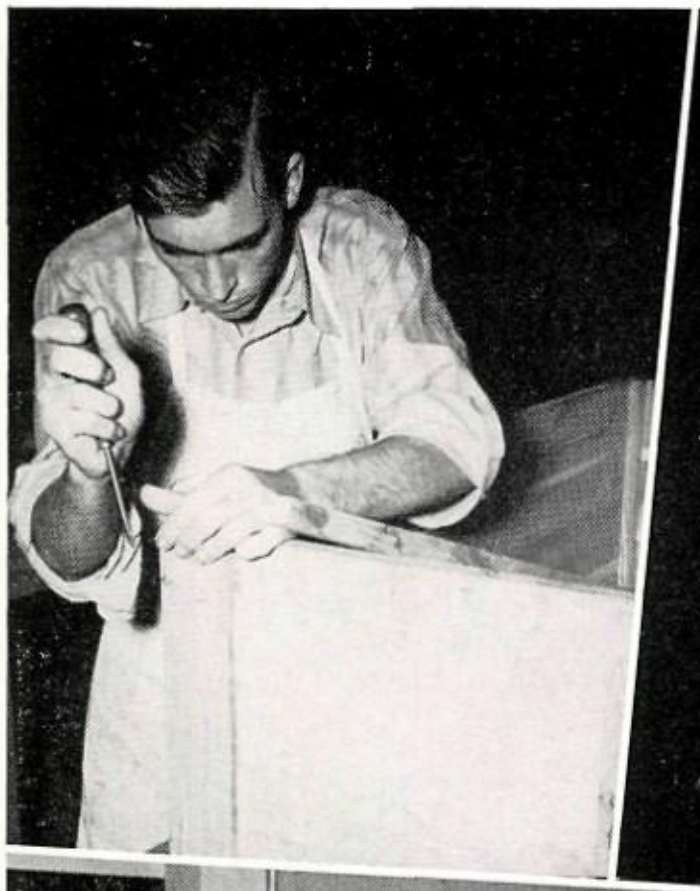
This is one period that makes them happy.

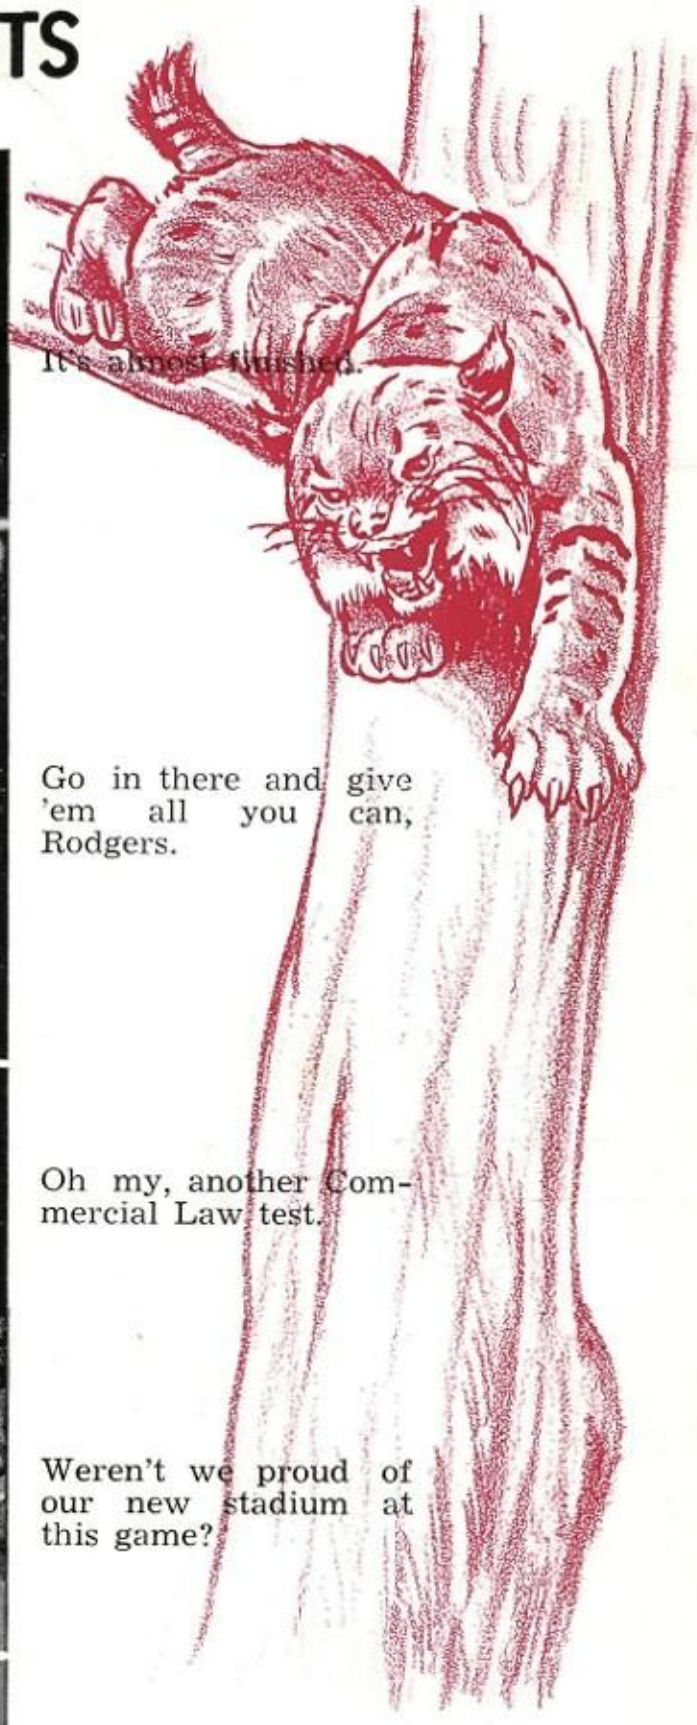
It's refreshment time.

"Now, girls, more about badminton."



SCHOOL LIFE SNAPSHOTS





It's almost finished.

Go in there and give 'em all you can, Rodgers.

Oh my, another Commercial Law test.

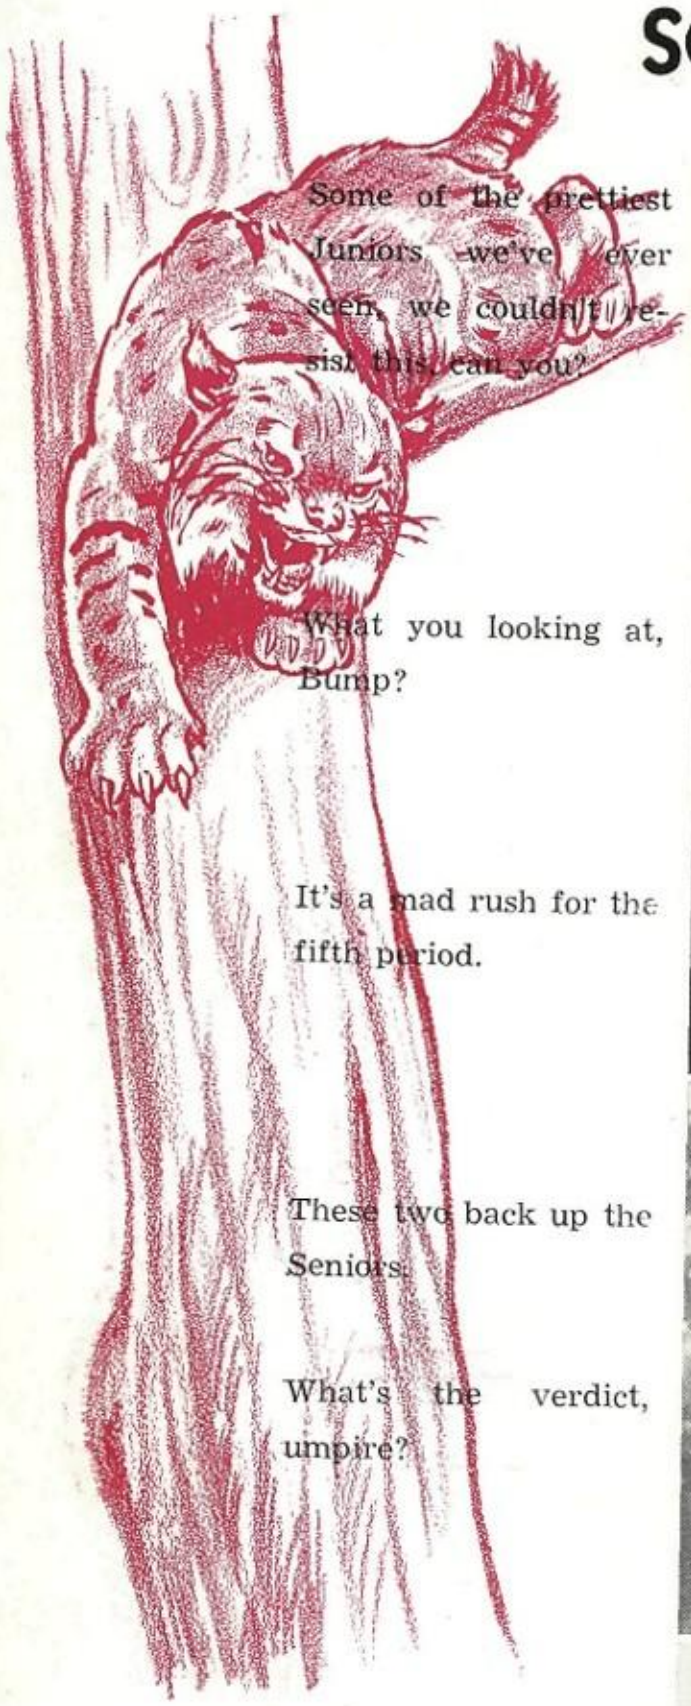
Weren't we proud of our new stadium at this game?

Mr. Roquemore instructing some of his boys in the finer art of carpentry.

Marydema

Well, they'll be pretty secretaries as well as efficient ones.

SCHOOL LIFE SNAPSHOTS



Some of the prettiest Juniors we've ever seen, we couldn't resist this, can you?

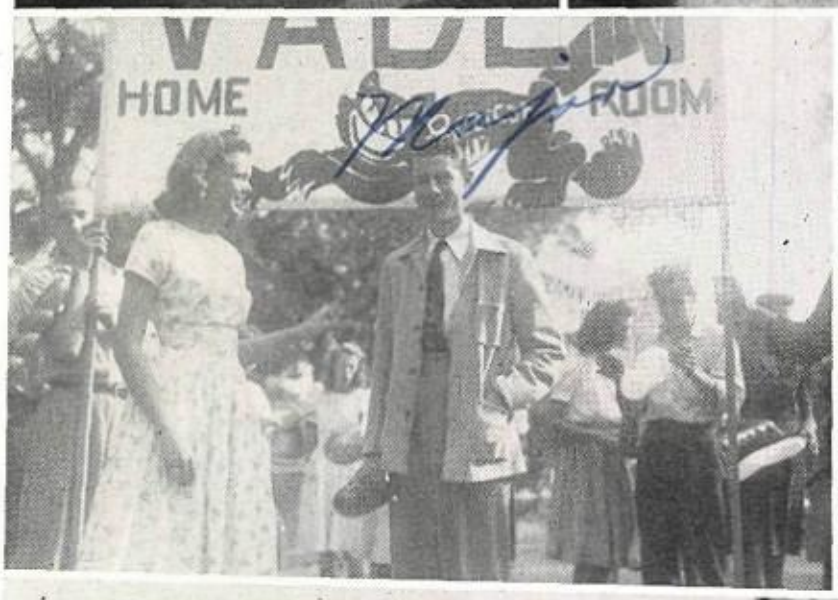
What you looking at, Bump?

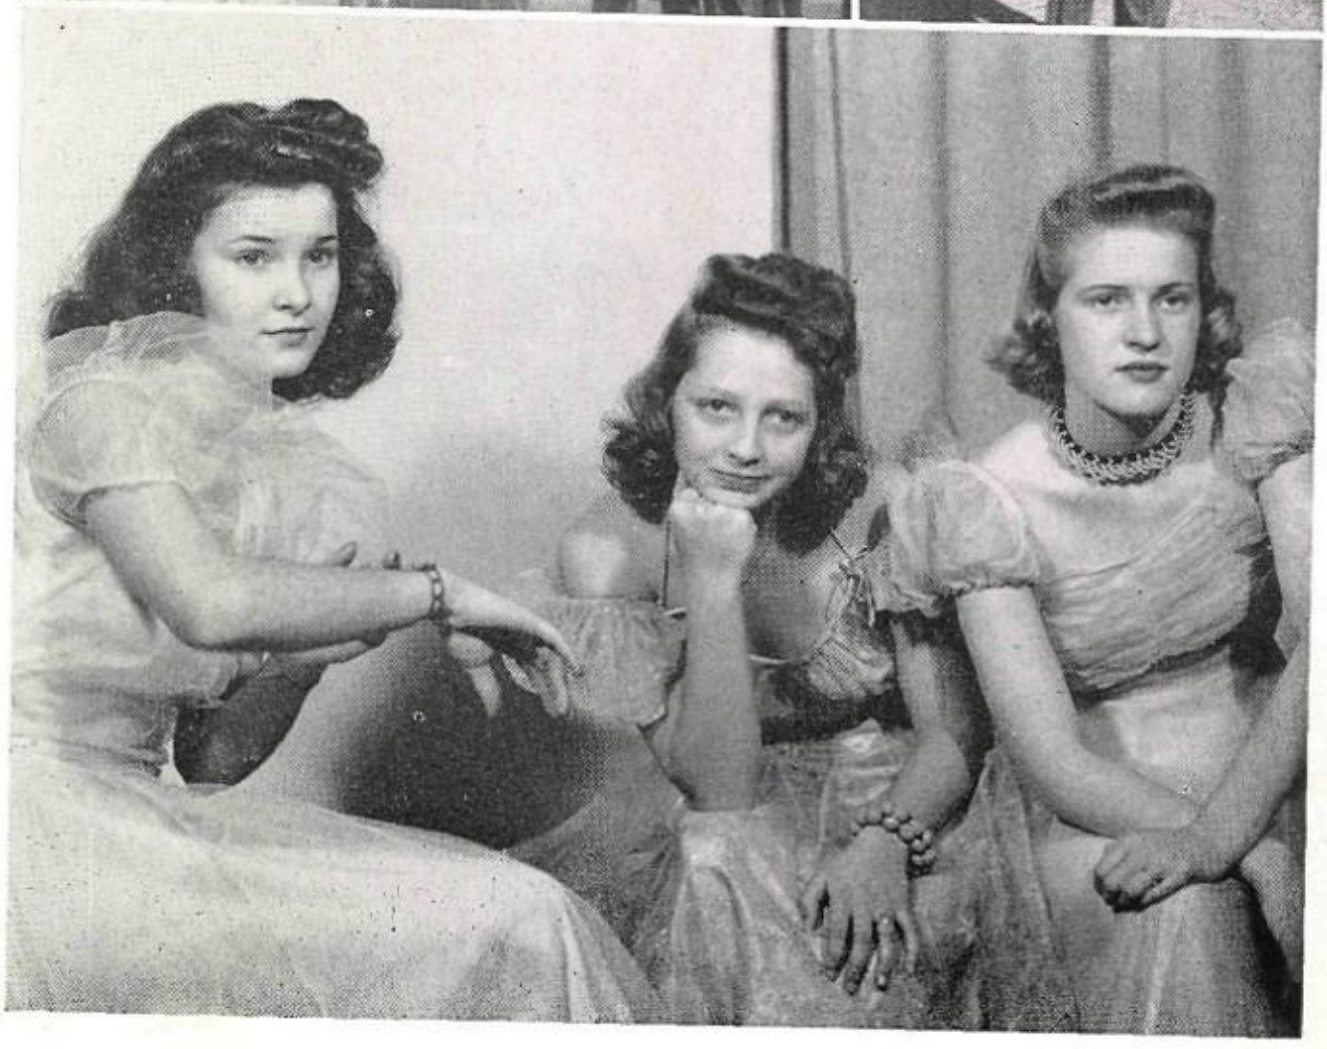
It's a mad rush for the fifth period.

These two back up the Seniors.

What's the verdict, umpire?

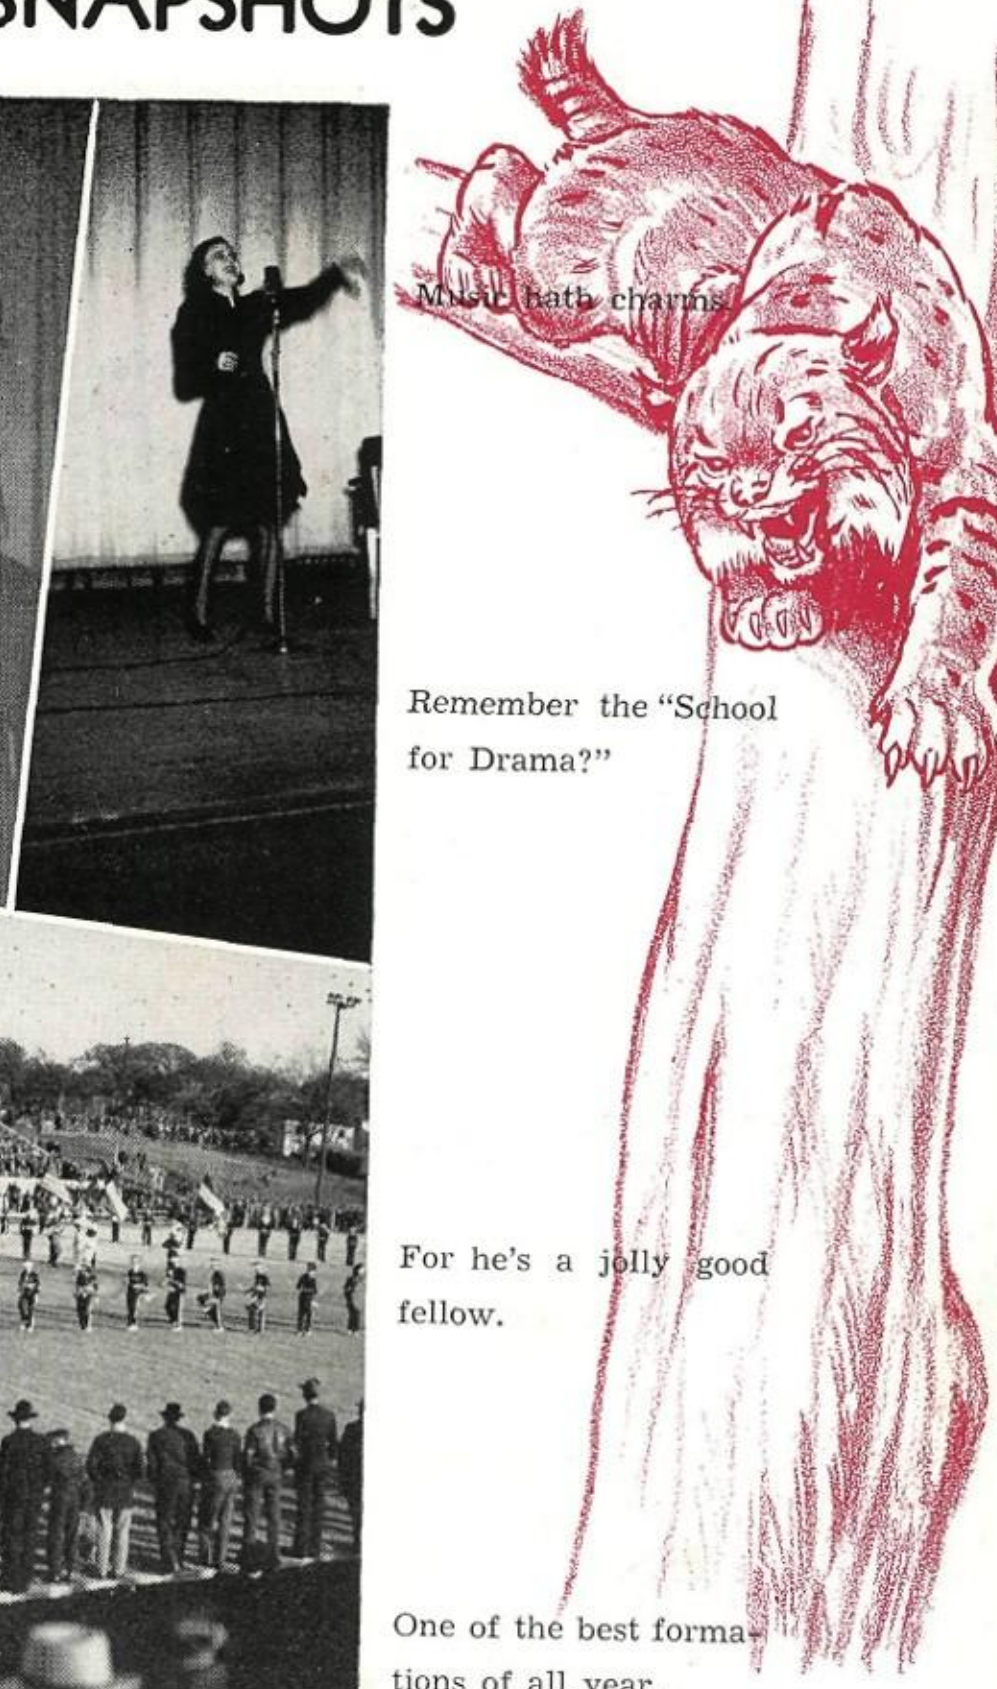
Don't let their beauty sway you.





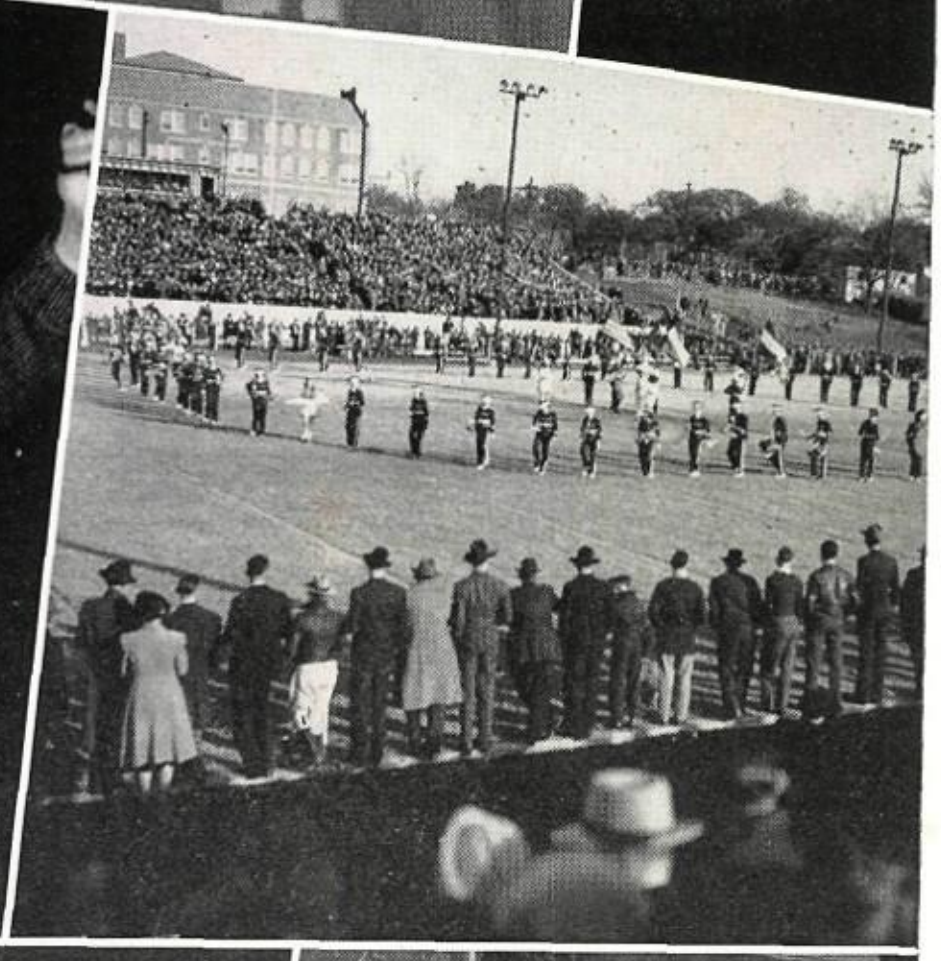
SCHOOL LIFE SNAPSHOTS

Music hath charms.

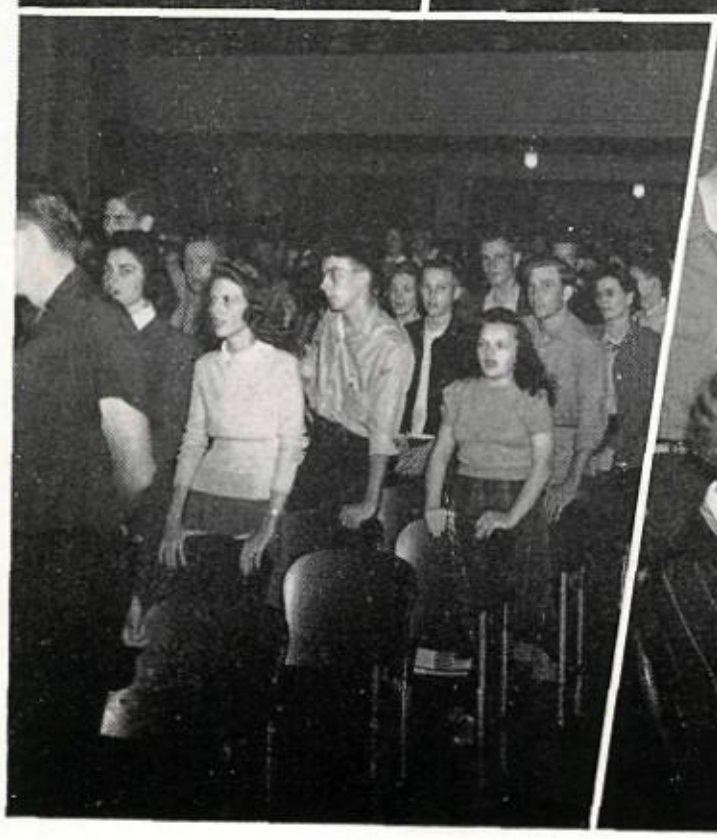


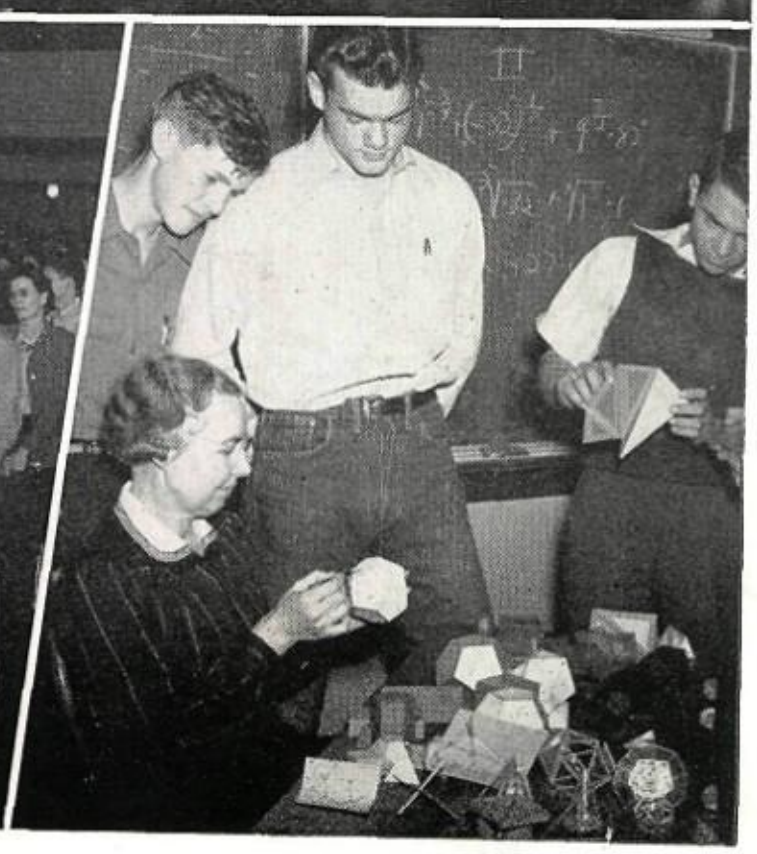
Remember the "School for Drama?"

For he's a jolly good fellow.



One of the best formations of all year.





Hail, all hail to Sherman High!

The modern Einstein's. (?)

SCHOOL LIFE SNAPSHOTS

The blondes gentlemen prefer.

Regular fellows.

Life without sports is not life.

Staff takes in the Denison game.

Unlike the common crowd.

SCHOOL LIFE SNAPSHOTS

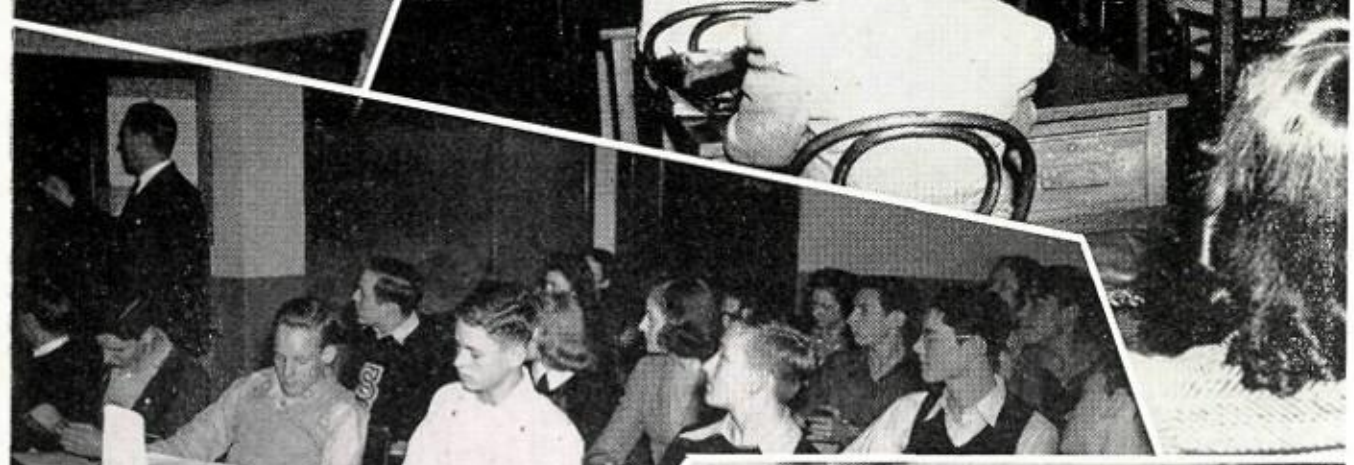
Everyone enjoys the paid assemblies.

Denison's only touchdown.

Fire drill during a test, too **bad.**

Our band mascot prances in assembly.

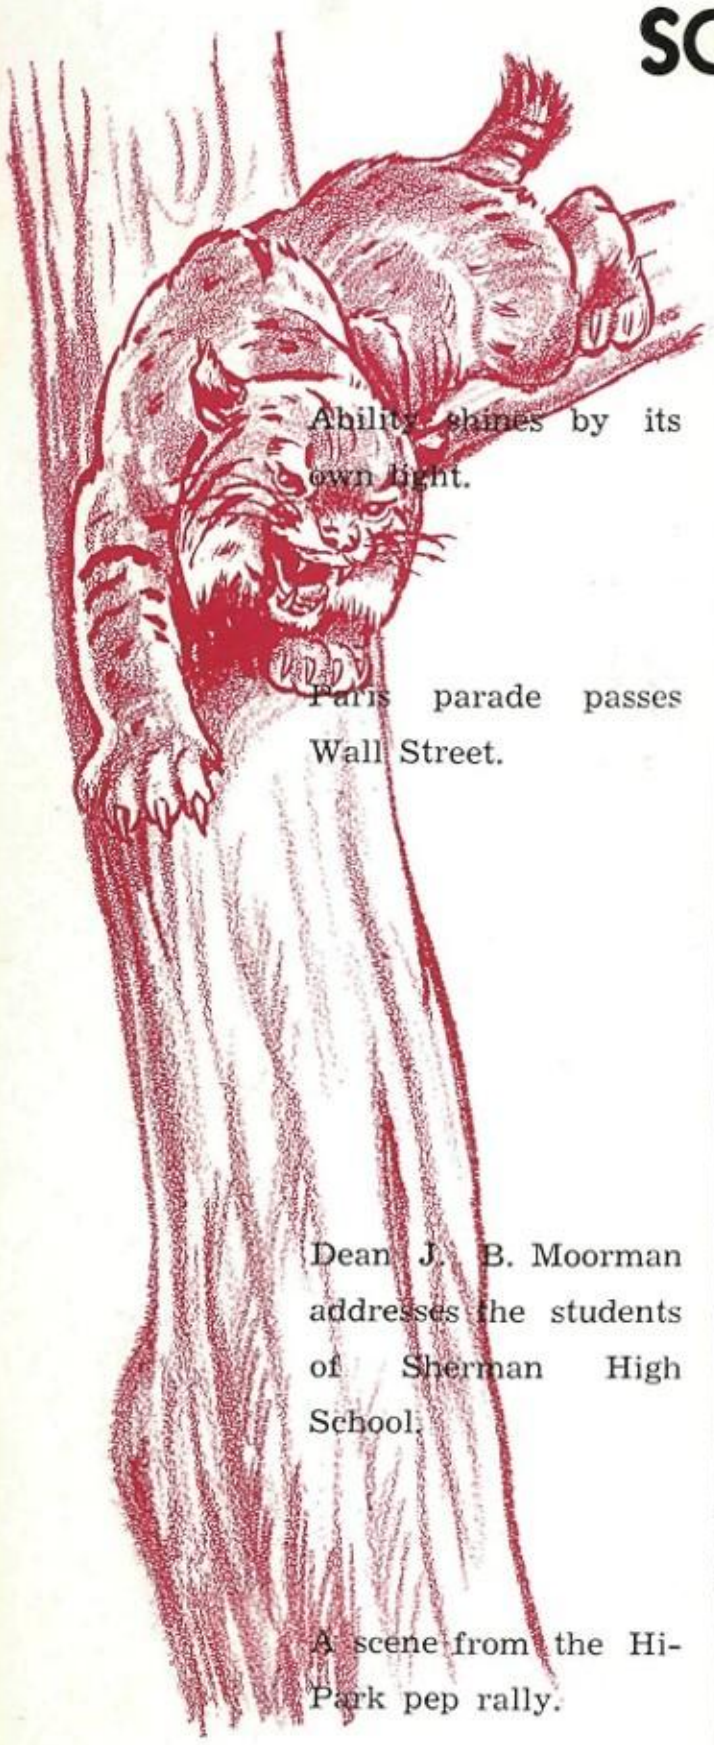
Some of our local adults studying too, in in the afternoon.



Abundant in intellect.

A snapshot made during the Paris parade.

SCHOOL LIFE SNAPSHOTS



Ability shines by its own light.

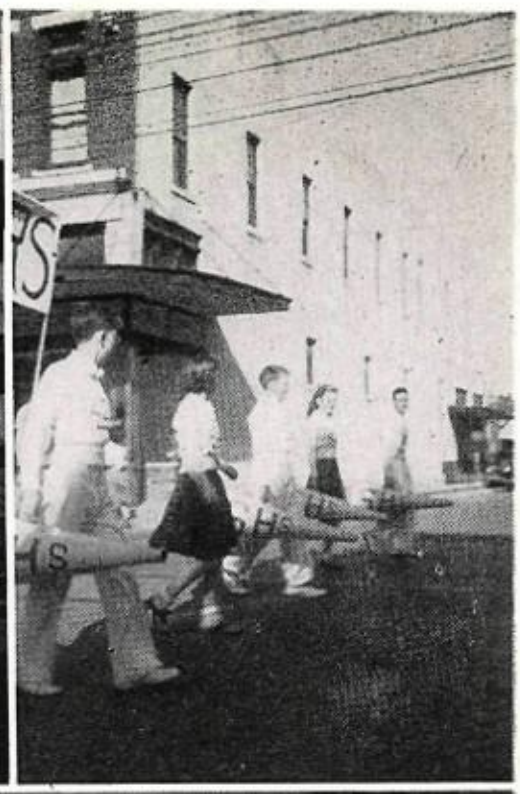
Paris parade passes Wall Street.

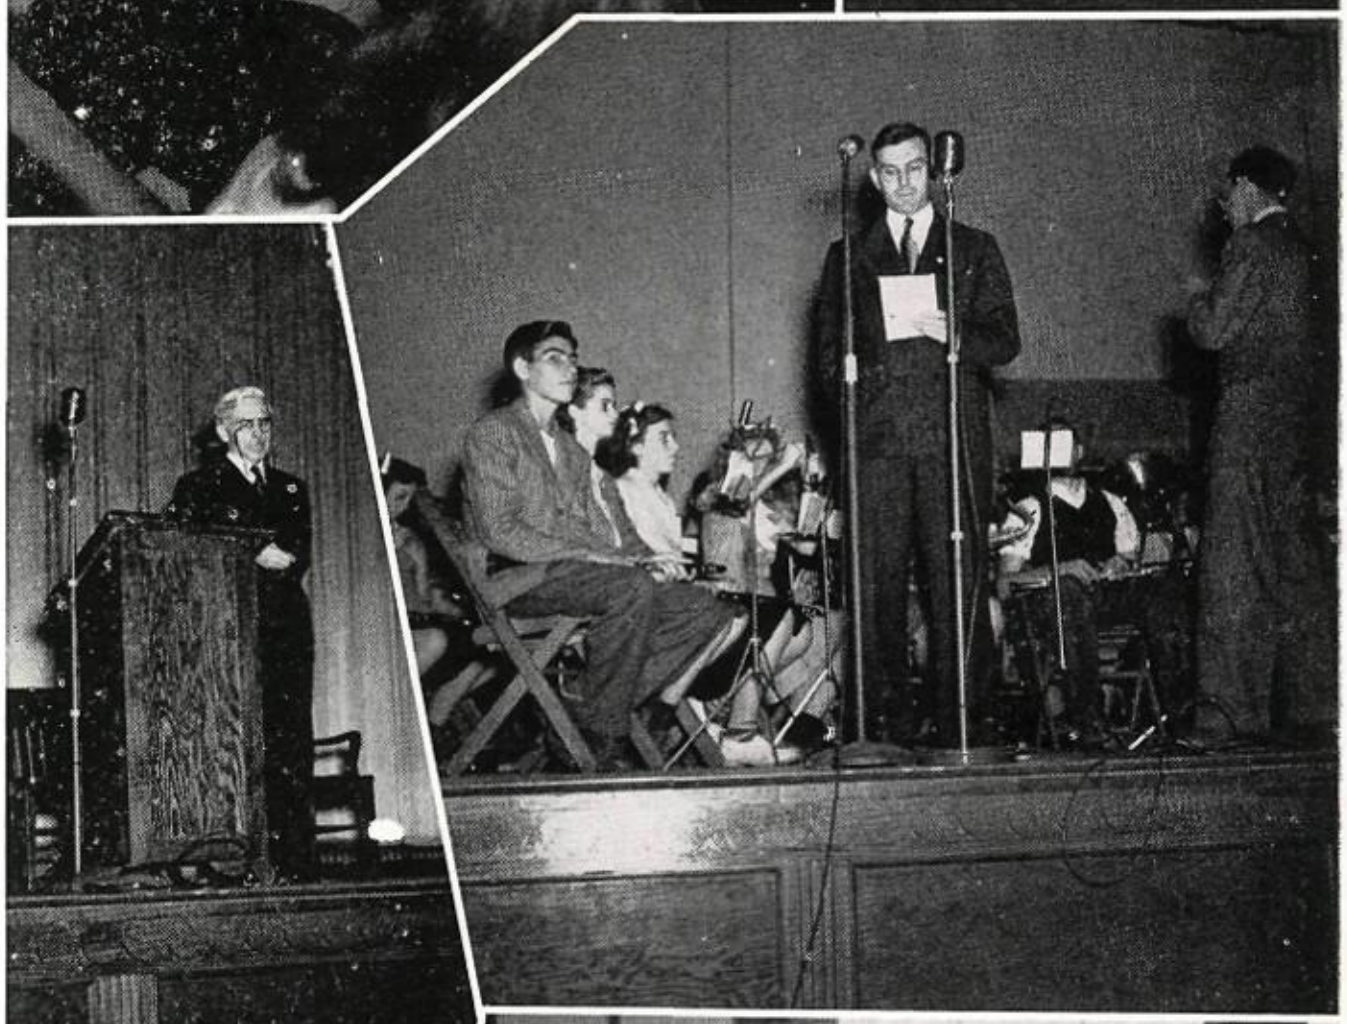
Dean J. B. Moorman addresses the students of Sherman High School.

A scene from the Hi-Park pep rally.

There's no shortage of bicycles here.

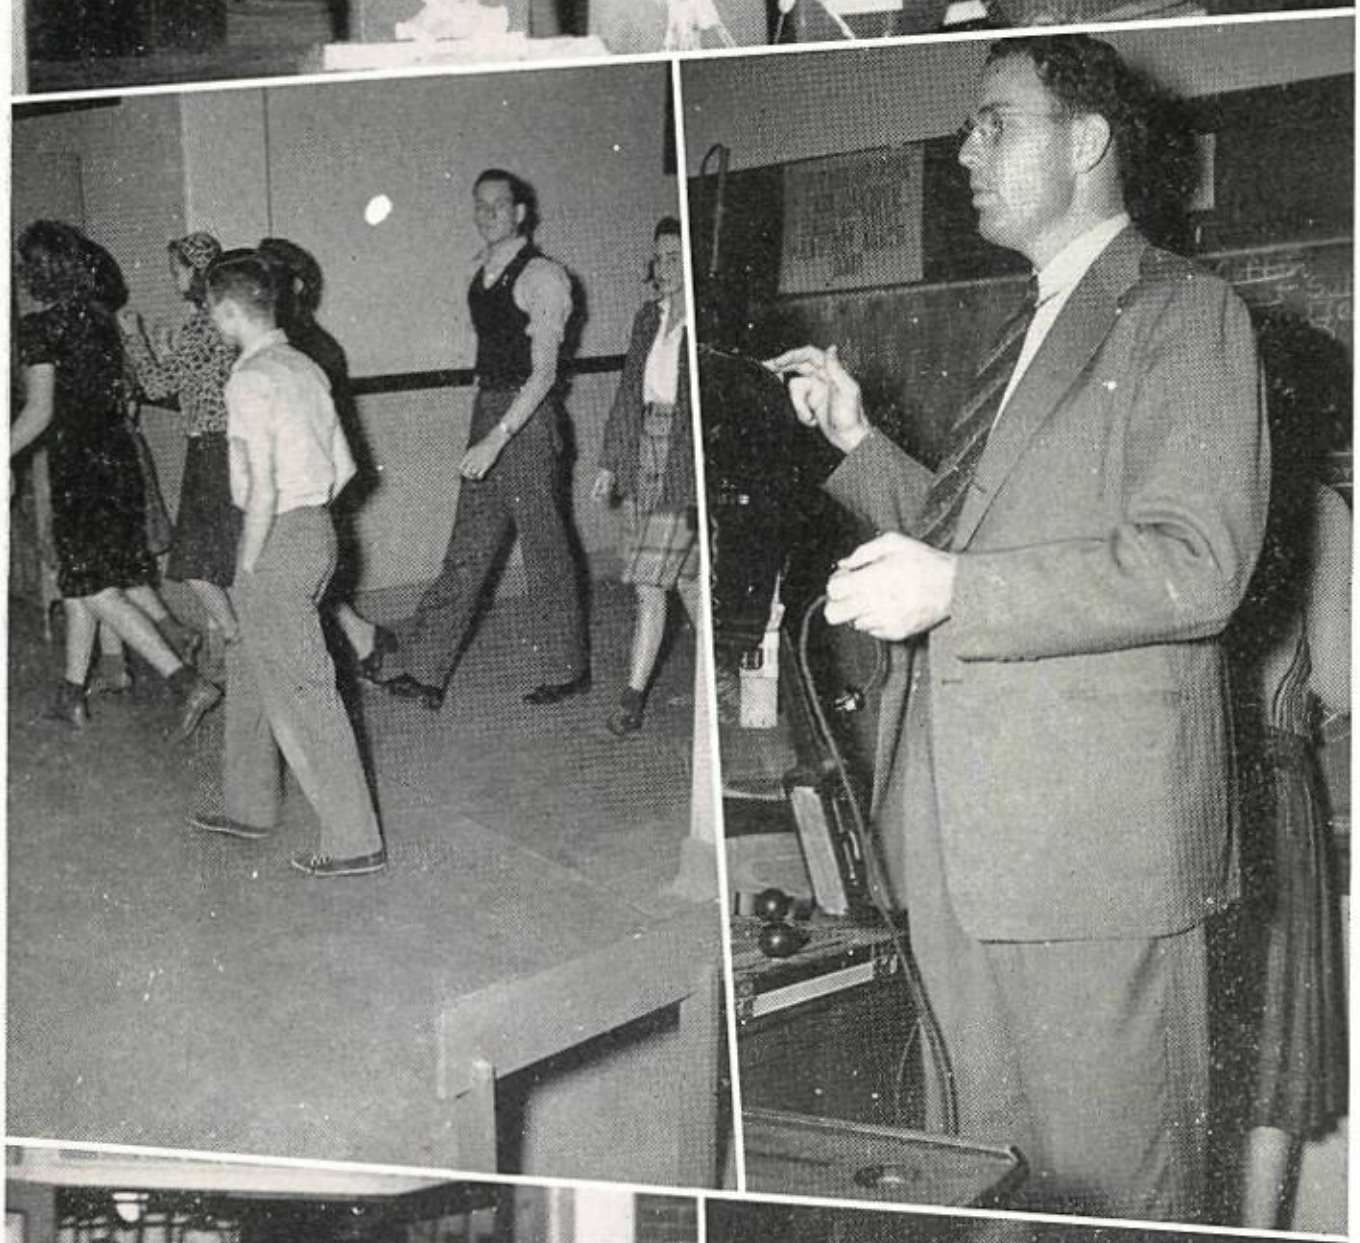
Taking your life in your own hands.





SCHOOL LIFE SNAPSHOTS

A scene from the play which the Dramatic Club presented at the Christmas assembly.



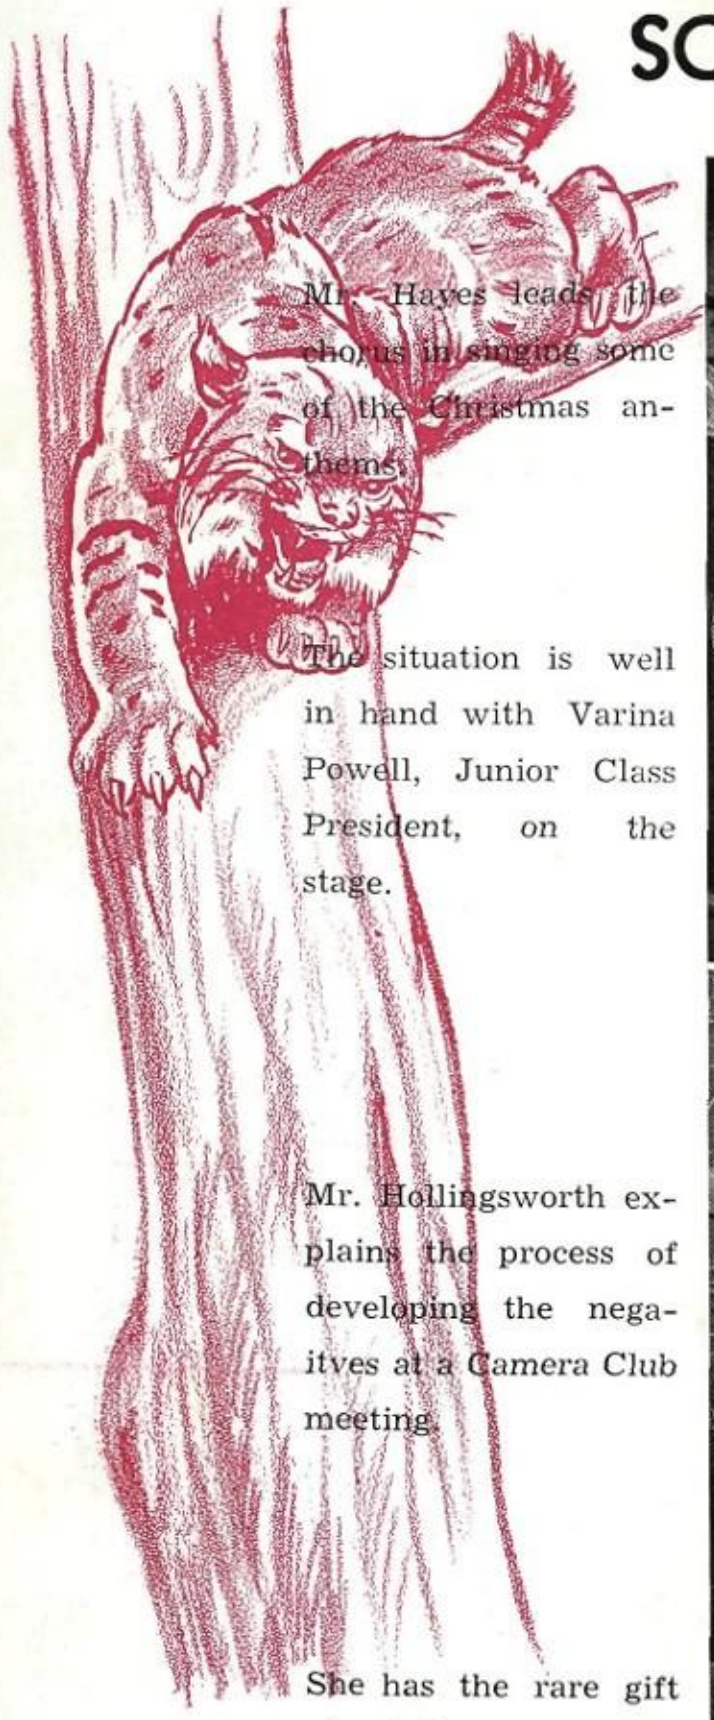
A blocked drill was demonstrated in this fire drill.

At a Camera Club meeting Mr. McCall explains about the art of making a motion picture projector work, (is it possible?)

The rush is on.

What's wrong, Phil? You look puzzled.

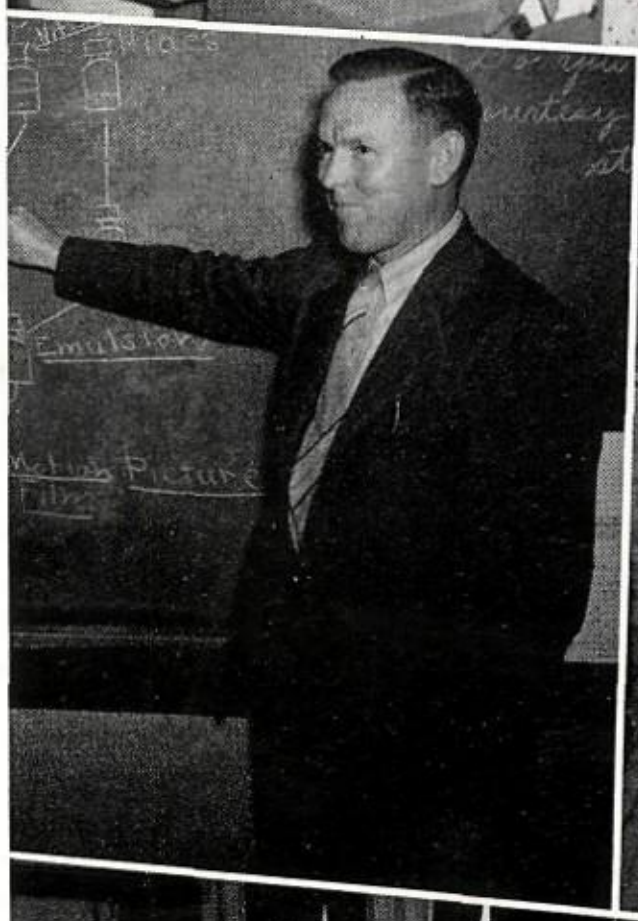
SCHOOL LIFE SNAPSHOTS



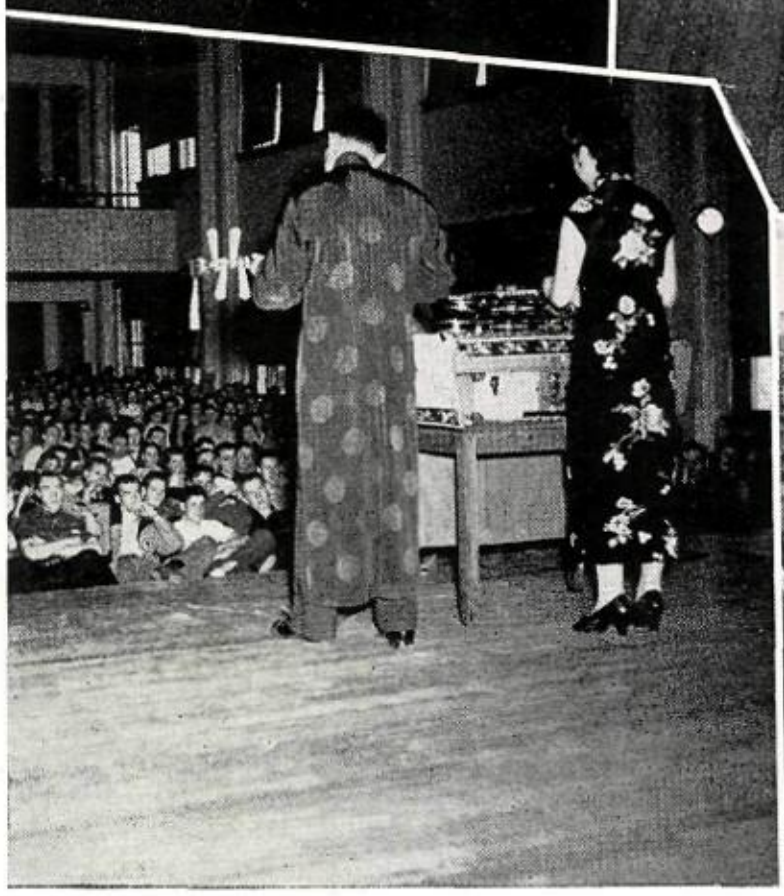
Mr. Hayes leads the chorus in singing some of the Christmas anthems.

The situation is well in hand with Varina Powell, Junior Class President, on the stage.

Mr. Hollingsworth explains the process of developing the negaitves at a Camera Club meeting.



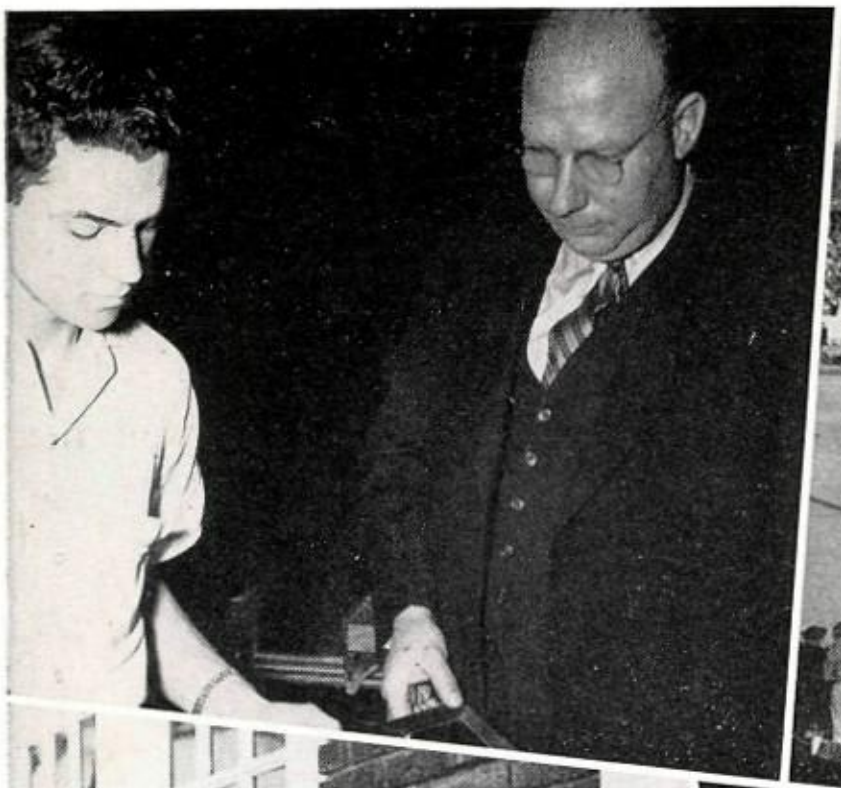
She has the rare gift of being a good speaker.



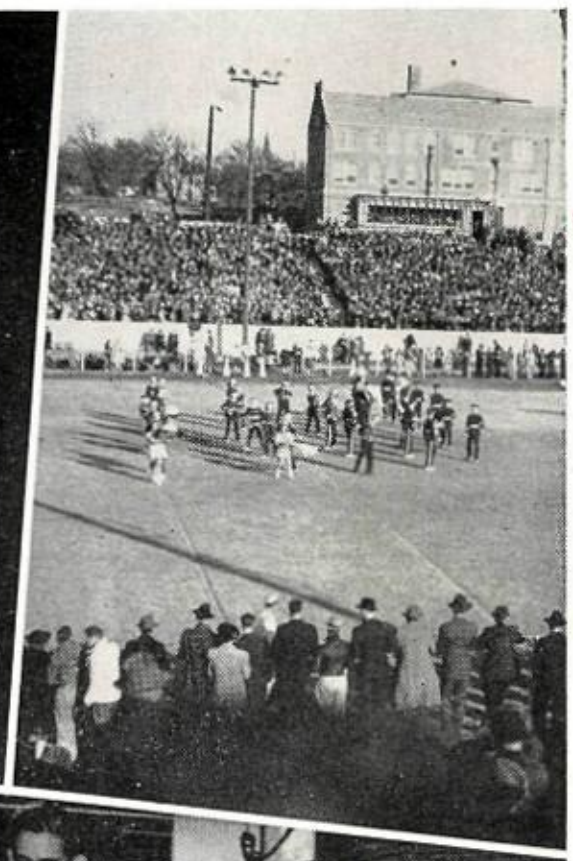
Two Chinese play some Oriental instruments in one of the paid assemblies.

Another good group of subjects, well, good enough.

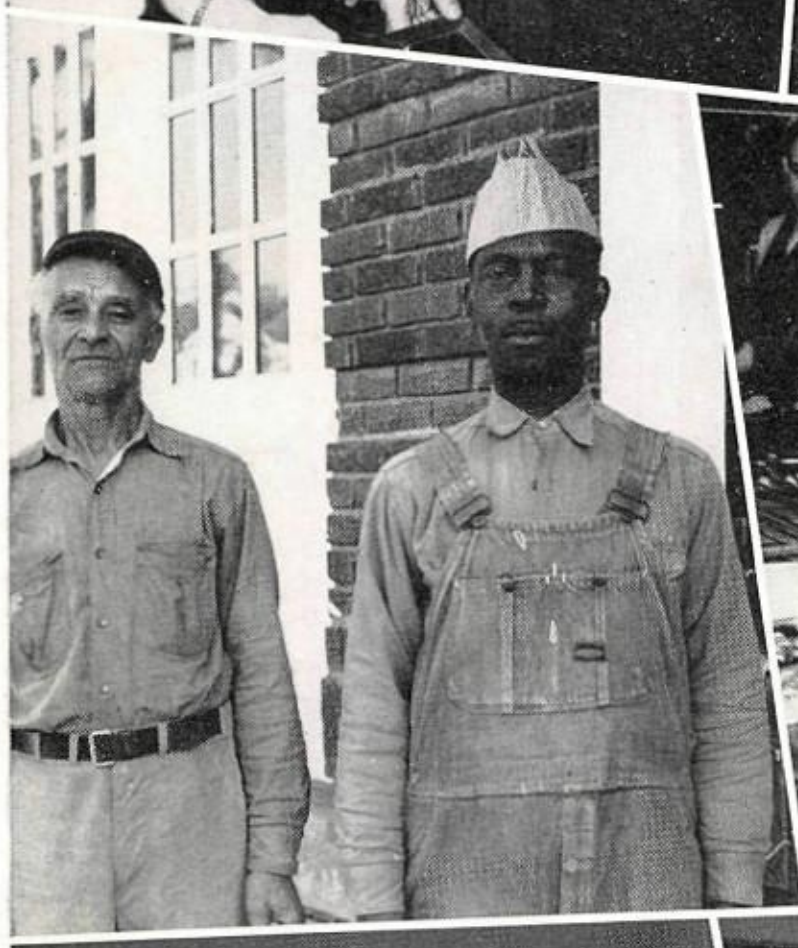
SCHOOL LIFE SNAPSHOTS



Channer Morris displays some of his excellent work in Woodwork.



Some of the type formations we had at the Denison game.



Our Janitors pose willingly in some of their off moments.

The **Athenian** goes to press.

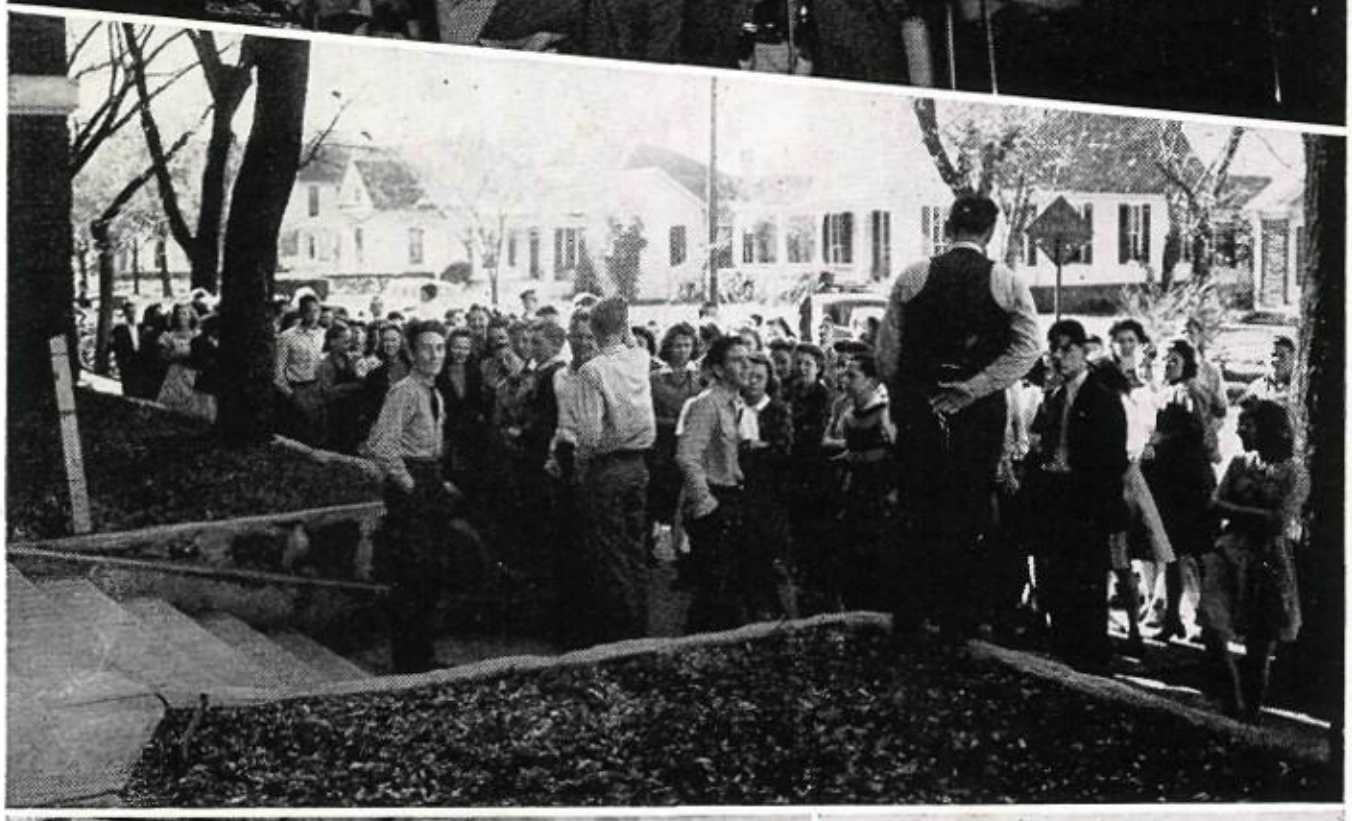
Some of our future "maids."

What else will you have today?

SCHOOL LIFE SNAPSHOTS

Buddy Bond tells us the real way to win a football game, by spirit.

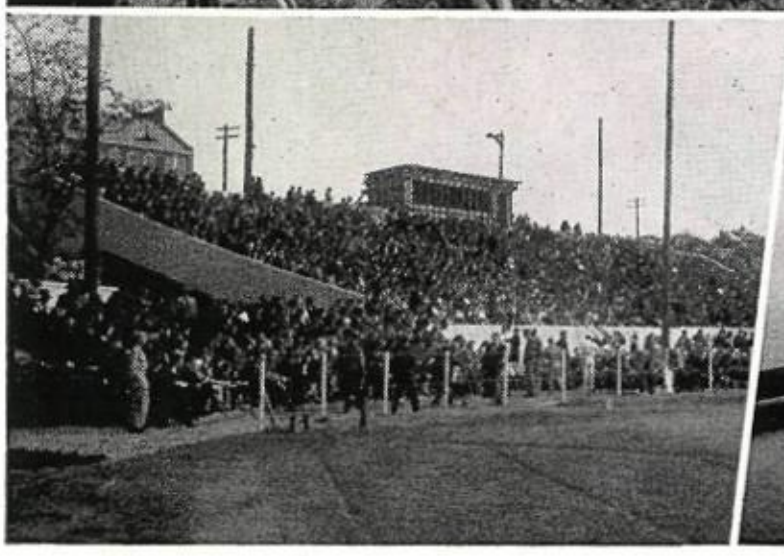
Mr. Keene keeps things well under control during fire drill.



Isn't that attractive?

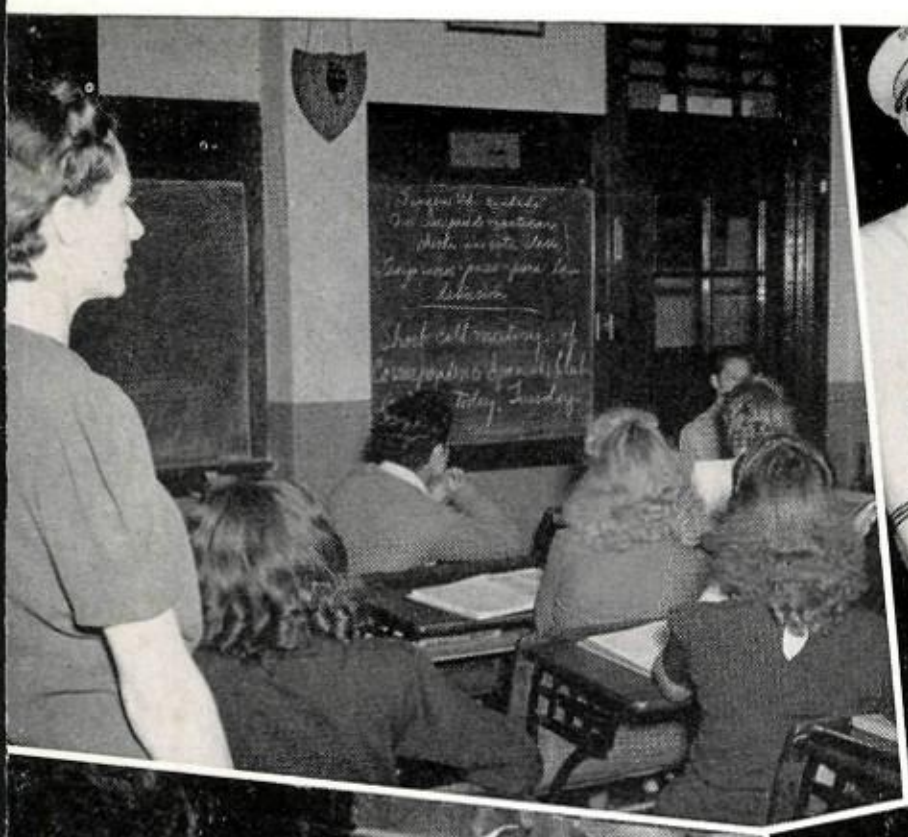
A football crowd shot.

Right after the last whistle.



Seniors coming into the auditorium for a classmeeting.

SCHOOL LIFE SNAPSHOTS



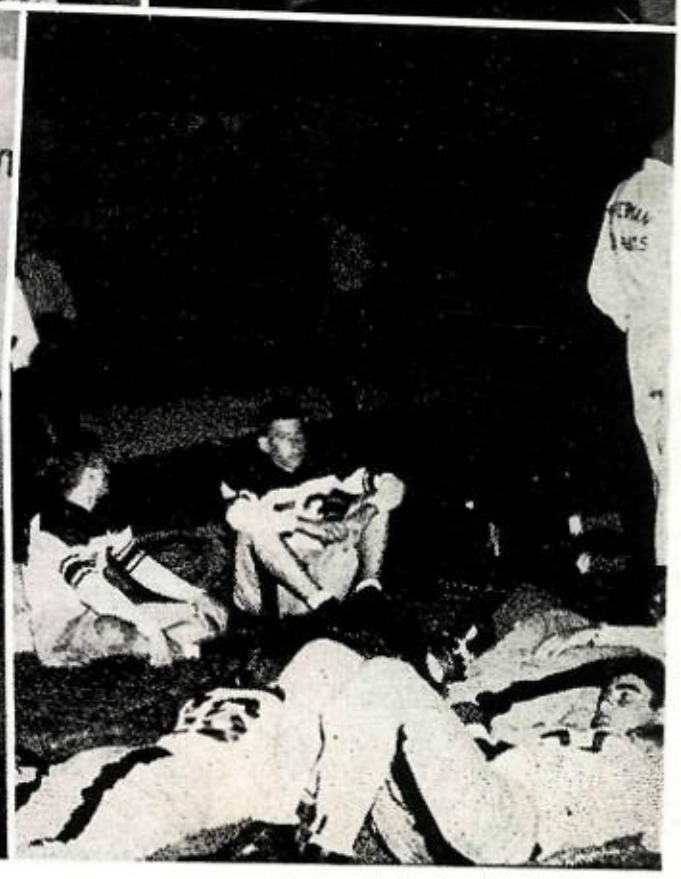
Miss Yeagley helps the Spanish Club sing some of those tricky Spanish songs.

Our band director and his wife smile happily on the cameraman.

Beverly Browne looks intent upon studying that Literature, but we think it's just an act.

Billy Jeff Hall in the act of really "yelling."

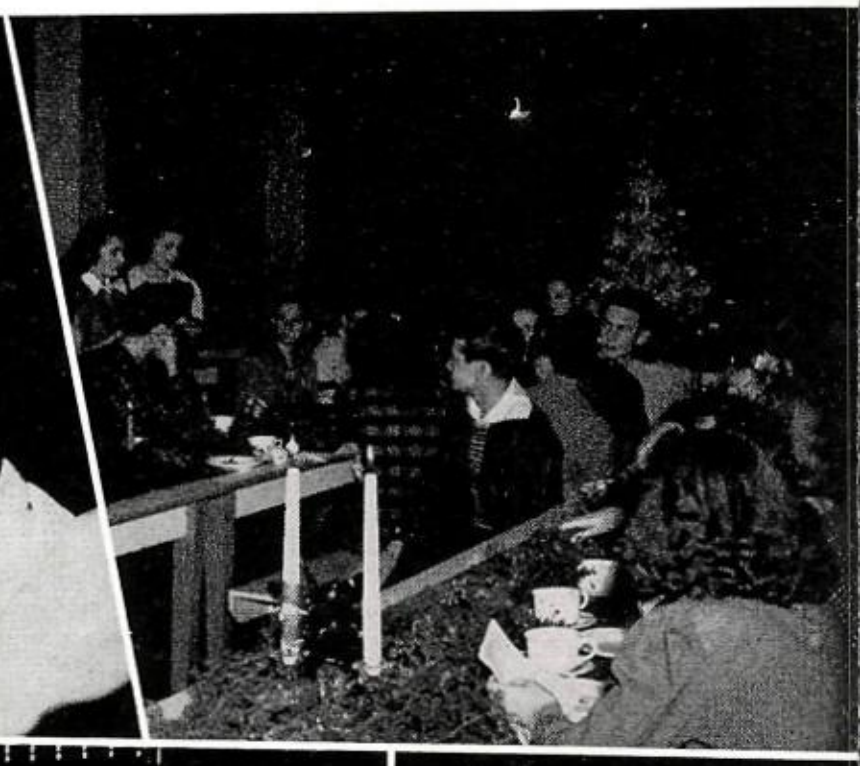
Sign displayed at the first game of the season.



For once the "boys" rest.

SCHOOL LIFE SNAPSHOTS

A flower of beauty on a stem of grace.



Varina Powell and Ruth Ann Douglass serenade the Latin Club social with a sweet song.

The Hi-Talk gets under way.

J. B. Branham accurately measures his masterpiece.

"Setting up type."

Drum majorettes are willing subjects during the first home game.

SCHOOL LIFE SNAPSHOTS

Aren't we glad, another fire drill?

Yes, it's an Athenian announcement.

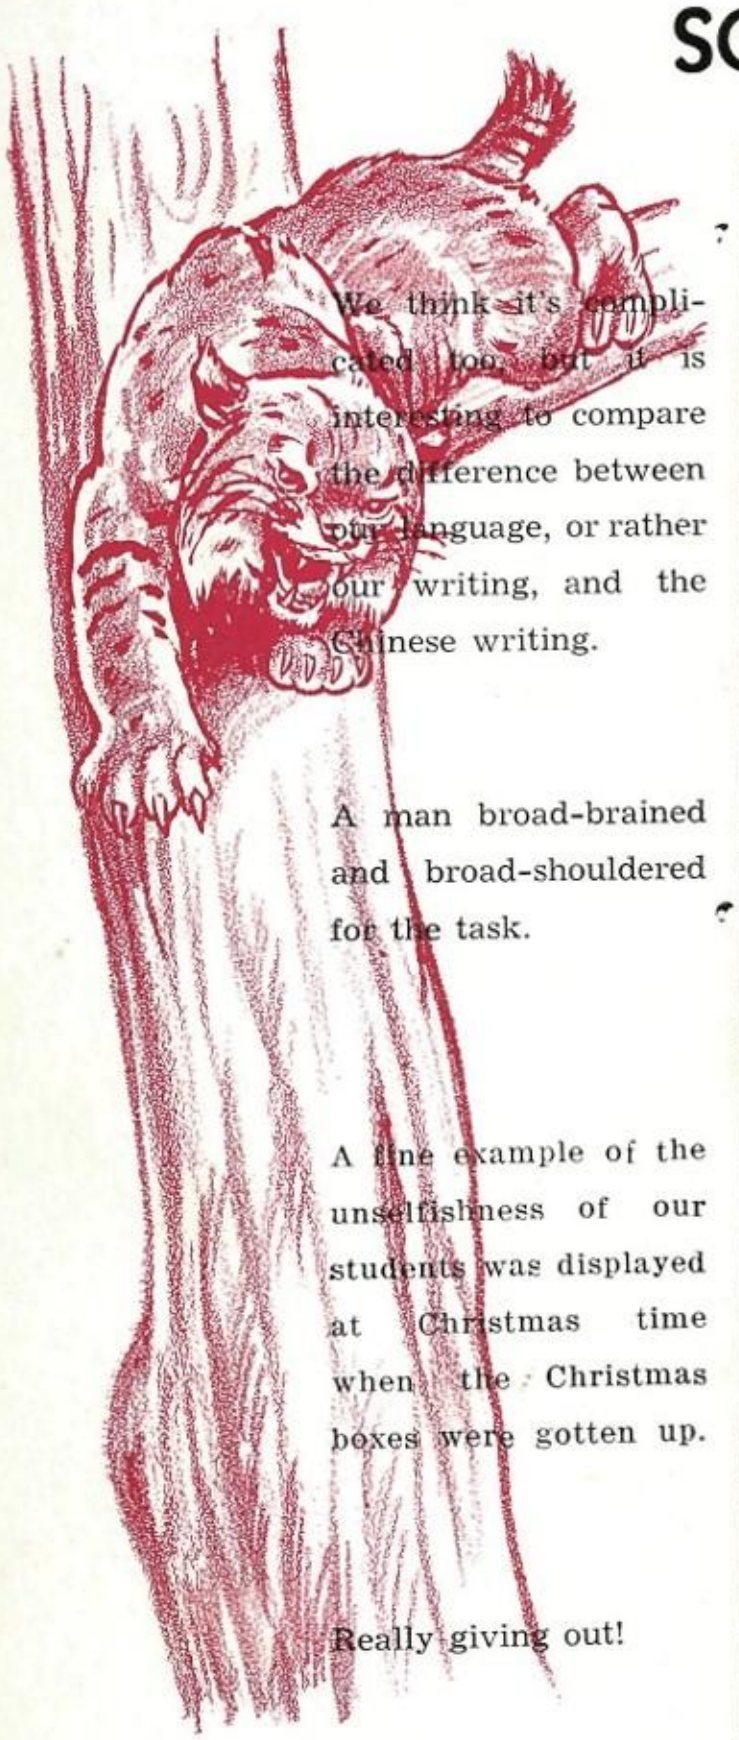
Mrs. Christopher Livingston talks to the students on the "Bill of Rights."

Wait, let us get out before you mix that!

Intent on some Commercial Law, we hope.

The Fred Douglas chorus gave us a very enjoyable assembly with some of their spirituals and other songs.

SCHOOL LIFE SNAPSHOTS

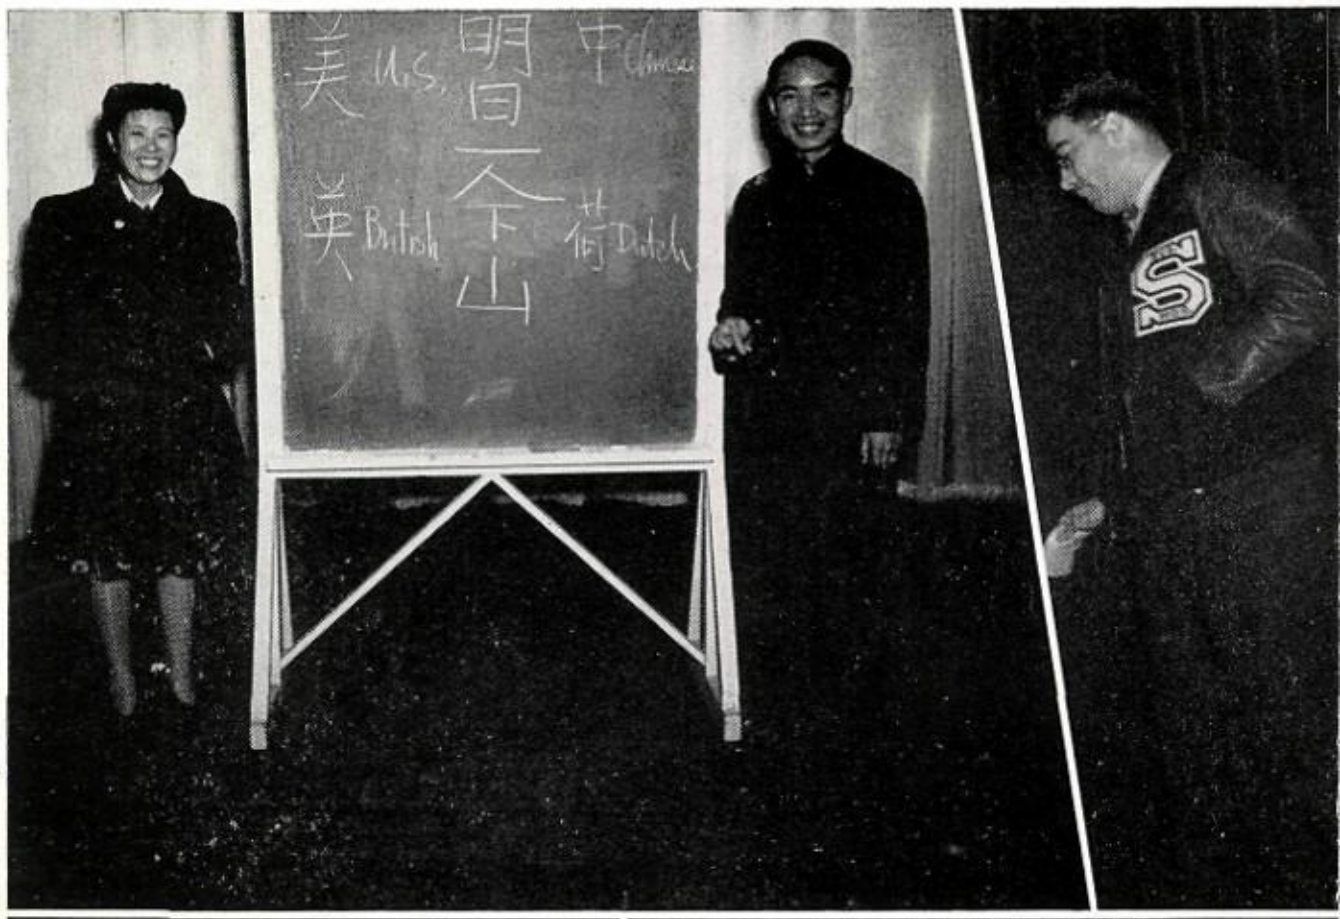


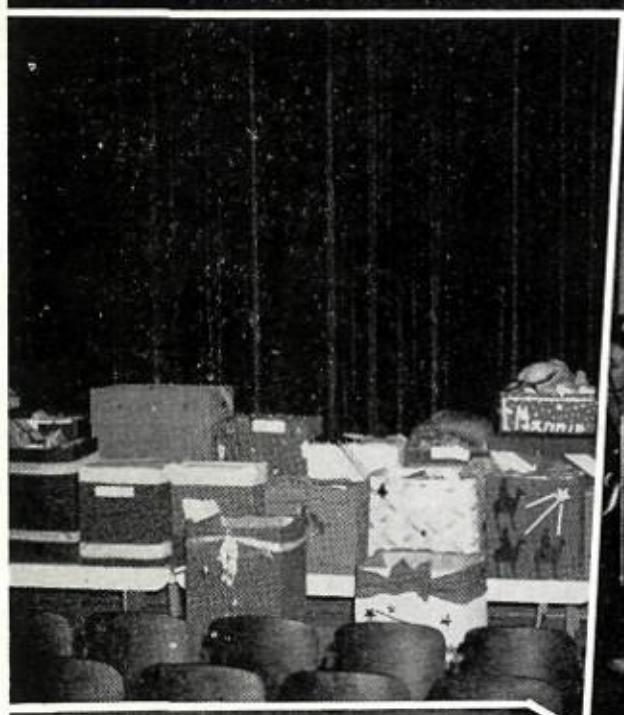
We think it's complicated too, but it is interesting to compare the difference between our language, or rather our writing, and the Chinese writing.

A man broad-brained and broad-shouldered for the task.

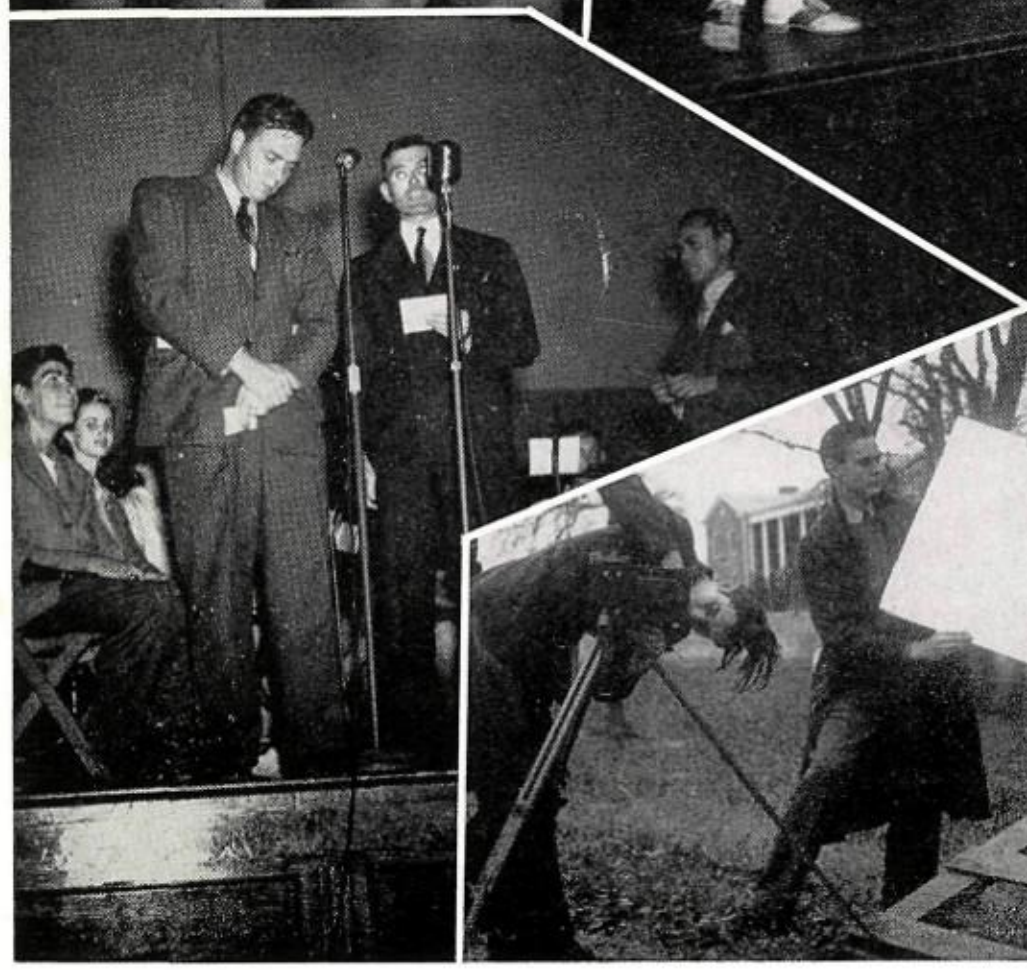
A fine example of the unselfishness of our students was displayed at Christmas time when the Christmas boxes were gotten up.

Really giving out!





Mr. Owen giving a pep talk with the help of Mr. Davis.



Look this way, just a little more. We got it!

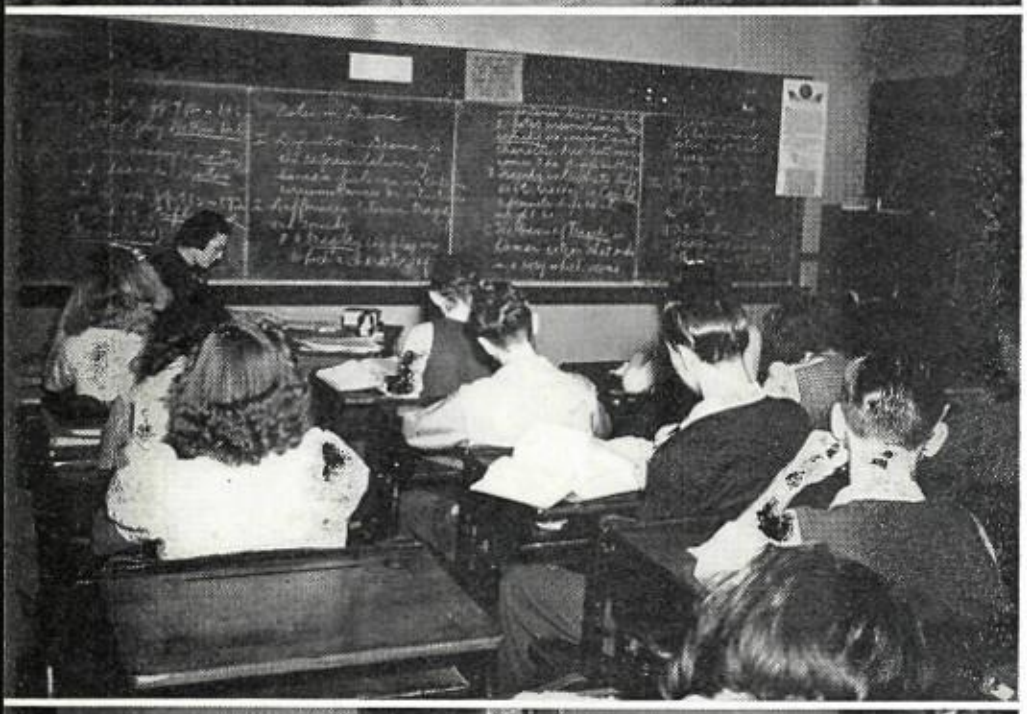
Notes on Drama
I Defintion - Drama
II Differences between
and comedy
A A tragedy is a play

First, let's go in Mrs. Travis' freshman English class. They are having oral reports today, and all of us enjoy book reports.

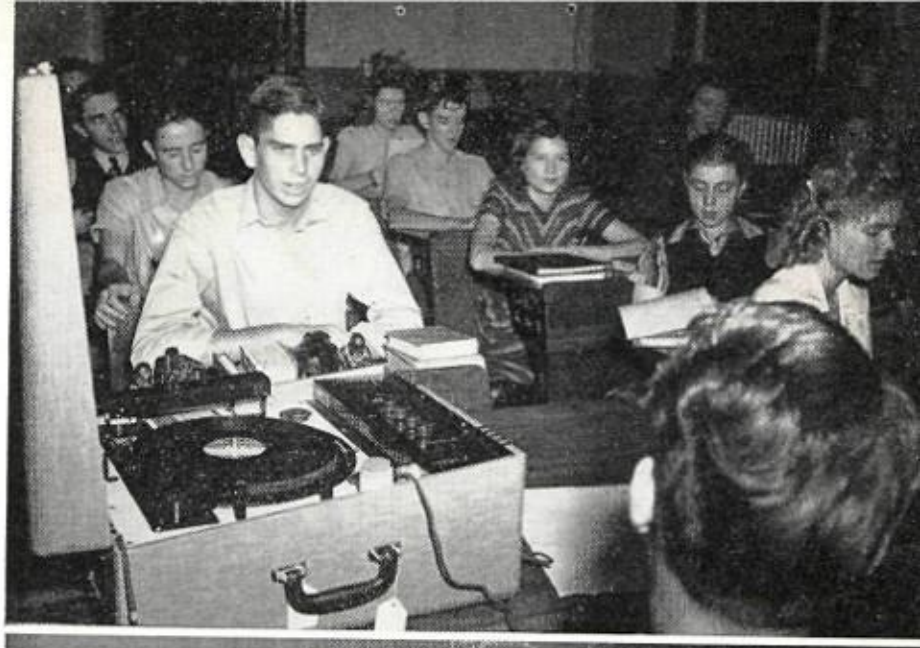


Miss Root's class is busy in a study period, so let's not visit them right now.

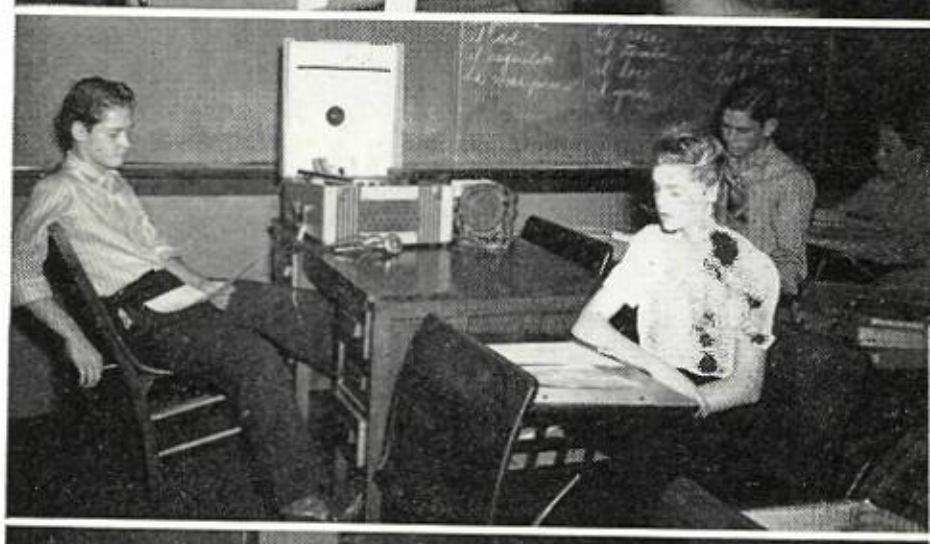
We'll go by the office, and there we see a student getting a red slip signed.

In the shop we see all the students busy at making some type of wooden article. This boy is using the band saw.

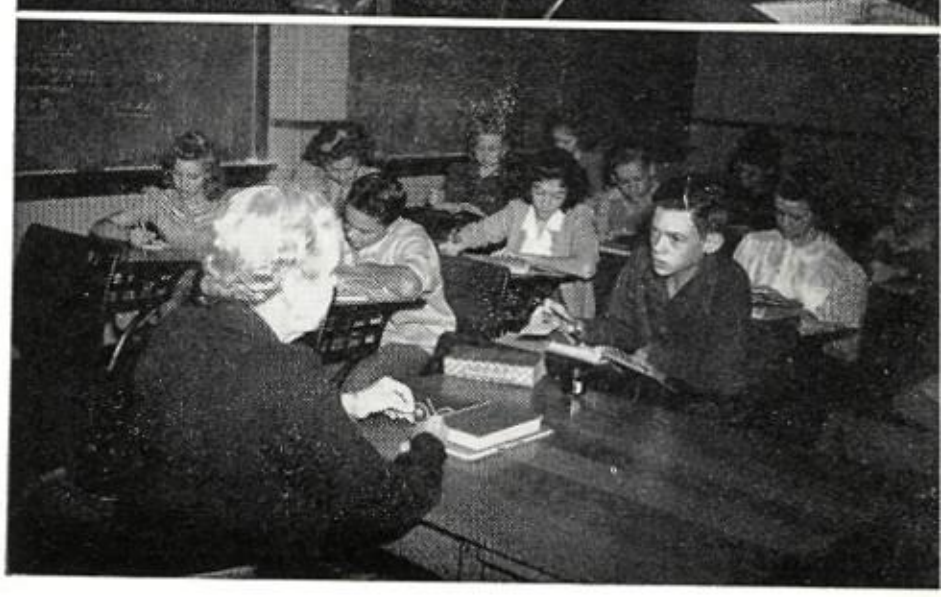
In the Spanish class the students are singing some beautiful Spanish tunes. They are accompanied by the victrola.



Jean Kolb, president of the Spanish Club, directs this singing.

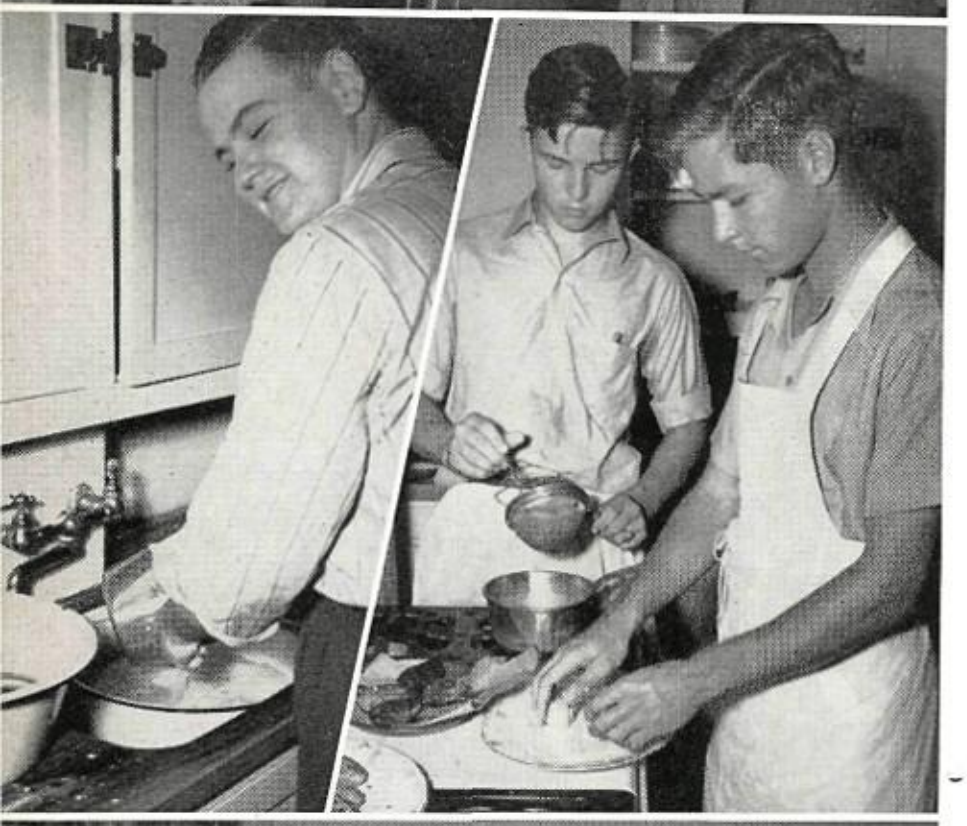


Miss Boyd's second year Latin class seems very interested in the Crossing of the Rubicon, so we'll let Frank Welch go ahead and finish the translation.



Charner Morris uses the lathe and does it very efficiently.

In the fitting room of the sewing laboratory Miss Moore shows one of the seamstresses how to finish a dress.



For something different let's watch the boys cook some things. Well, there's the hard job of washing dishes always.

Two of our manly football heroes try their luck at salmon croquets. They are good, too.

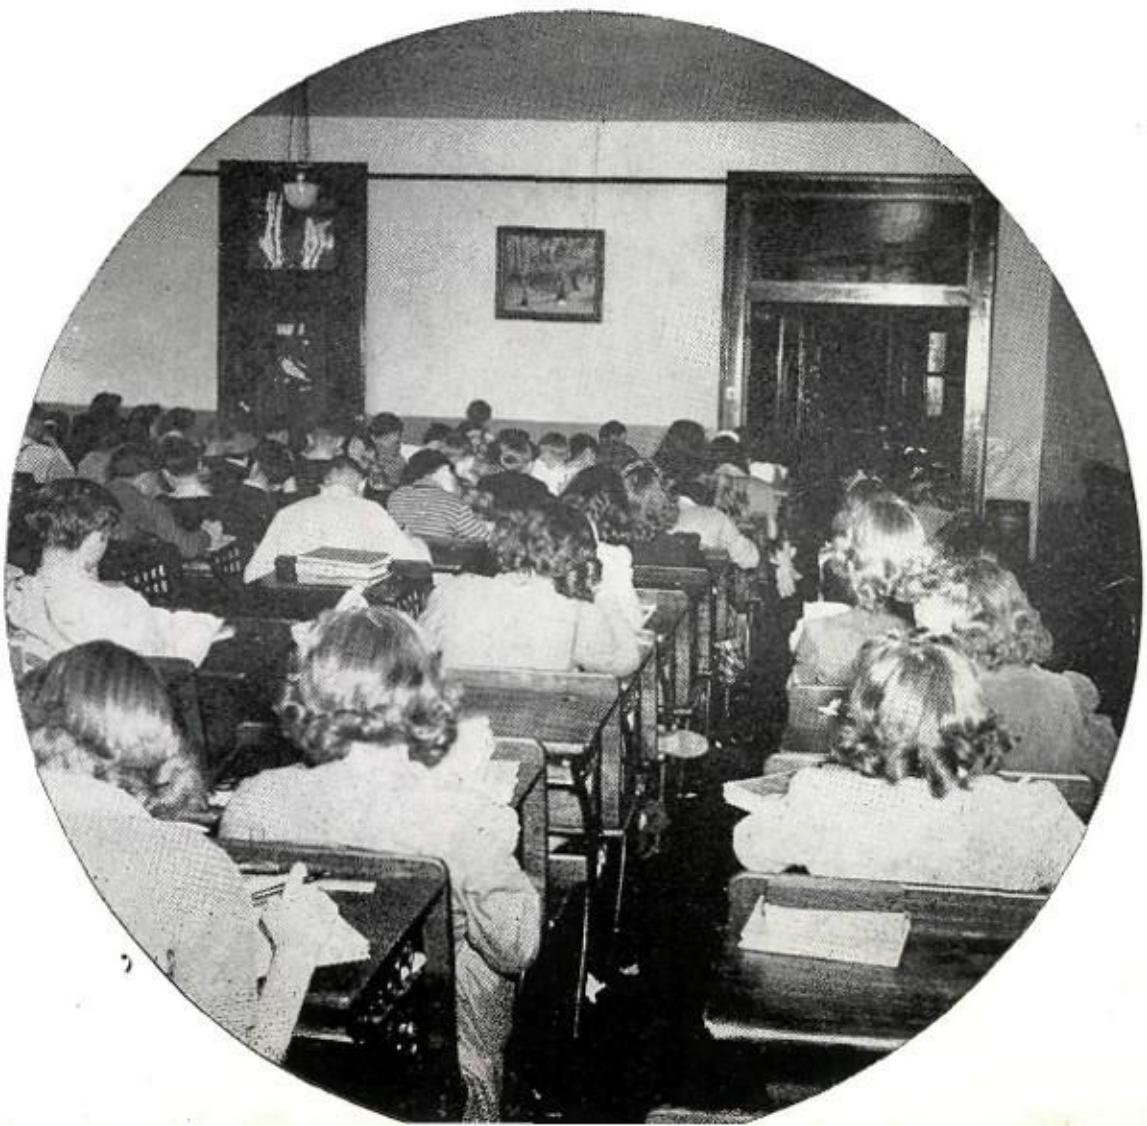
Step across the hall to the sewing room and let's watch these girls sew a fine seam.

Downstairs in Miss Farlow's history class, a student points out a new battle front on the map.

In Chemistry, even these girls do all right. I'll have to admit we don't feel any too safe in here though.

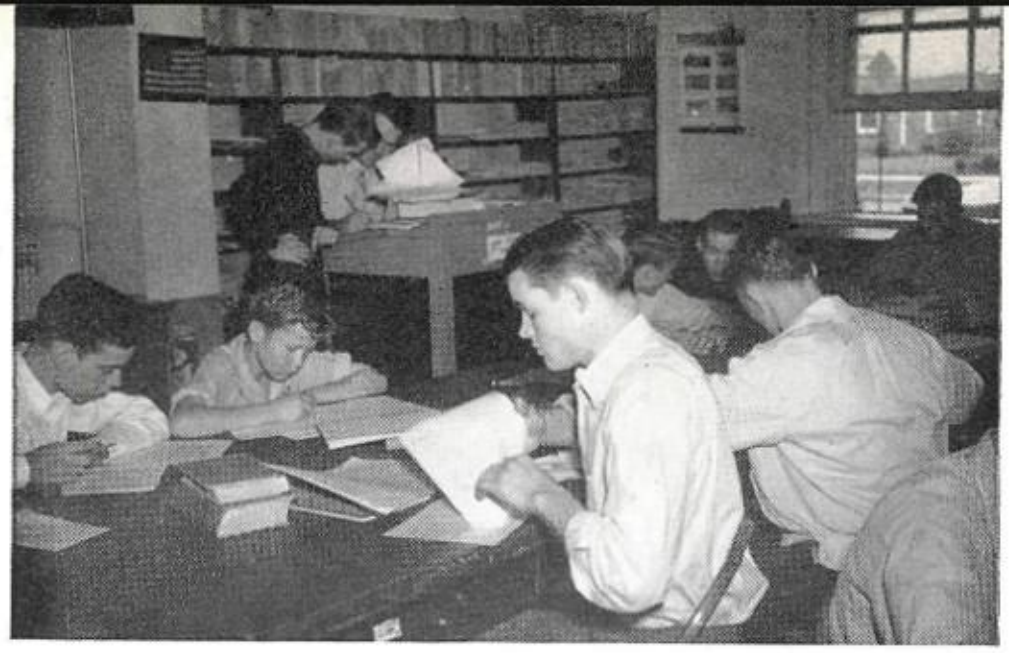
Mr. Harris explains the complicated process of breathing.

Mr. Hoilingsworth demonstrates some type of force to his physics class.



Study hall is always an interesting place to visit and they are really studying today.

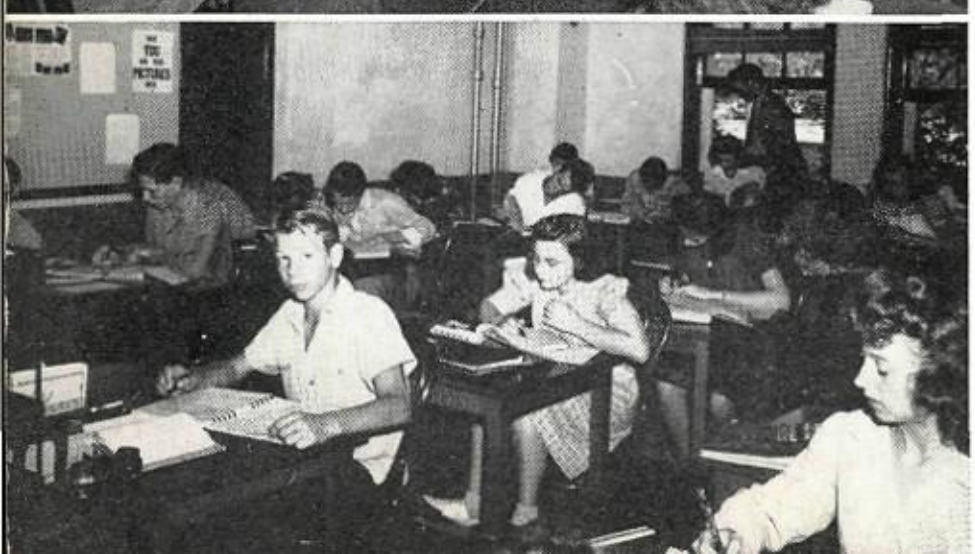
Our farmers of tomorrow study with extreme vigor and we hear they have done a fine piece of work this year.



In typing class the students pound away. There has been a remarkable interest in typing during the past few years.

The Commercial Law students are looking at a picture show and we know they are really going to plead some good cases some day.

Let's step in and see Miss Vail's class take some dictation.



In the room next door, we see the bookkeeping students working on something that seems to be a little hard.

Since this is Monday let's go into the auditorium and take a look at this fine group of students we have in our high school.

In Miss Noble's Solid Geometry you can see some of the constructions the students have labored over.

In senior English, Dorothy Barnes gives an oral book report, one of the real joys in this English course.

Let's go on down to the basement and look in on one of Miss Grinnell's First Aid classes. They seem to like it.

Last, we visit the afternoon adult classes just before they begin their work.

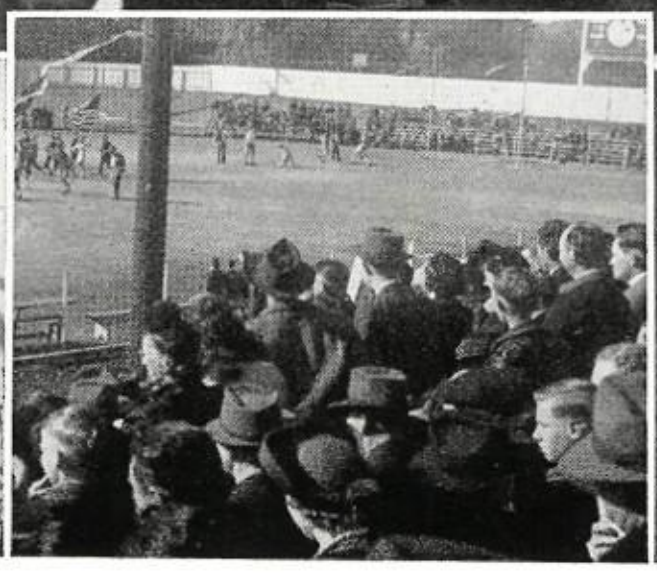
A group shot of the Sherman fans at the Sherman-Denison football game. The sophomore favorites are presented to the student body in the Athenian assembly. They are from left to right: Mac Thompson, Most Handsome Boy; John McKenna, Most Representative Boy; Mary Clyde Bailey, Most Popular Girl; Virginia Ann Strother, Most Representative Girl; and Beverly Browne, *Most Beautiful Girl.* This excellent banner was made by the sophomore class for our Paris Parade. Notice the Plaster Paris stickers on the banner. This is another scene from the Sherman-Denison football game. The band is in formation of the field. Beverly Browne reads her recordings of the last class meeting.



Freshman Class Officers . . . .

Making their pledge of allegiance to the great Old Glory are Carrye Lou Humpheries, Gilford Webb, and Susie Scott.

President of the Freshman Class, Frances Hare, helps Eleanor Enloe, Secretary, hold up that *huge* book. Bobby Jo McWhorter, and Buddy Dean look interested in the book, don't they?

Susie Scott, giving a talk of the advantages of being a Camp Fire Girl, helps with the first freshman program.

Two freshman students display their talent with the electric guitar. Many of the freshman students have talent along musical lines this year.

Gilford Webb leads the class in the oath of allegiance to the flag.

This freshman placard shows the fine spirit which these students displayed in the parade. They are always be hind the Bearcats 100 per cent in everything.

Don Haraldson seems a little dumbfounded over something while the freshman students are being introduced in assembly. Jerry Talley, Eleanor Enloe, and Nancy Browne look interested in this.

The band forms November 11 on the field at the half of the Sherman-Denison game.

The Fighting

No lack of spirit can be seen on the part of the yell leaders. This fact is plainly borne out in this snapshot. Many a Bearcat touchdown this year was put across as a result of the excellent enthusiasm displayed by both students and the yell leaders.

Bearcats of 'Forty One

In the opening game of the season the Bearcats showed much power and clock-work cooperation. These first few games were hard fought and were great games! Though scores showed we were behind, Sherman had lots of fight and determination. Even though scores may count, most of us know how much spirit and eagerness the Bearcats had and how this spirit was unequaled by any opposing team. Denison played its hardest but it was not hard enough to overcome the Bearcats. We always fought to the end of every game, and we want to tell the Bearcats now that never have we had a team which showed as much spirit as the Bearcats of '41

Yes, Sherman recovered again.

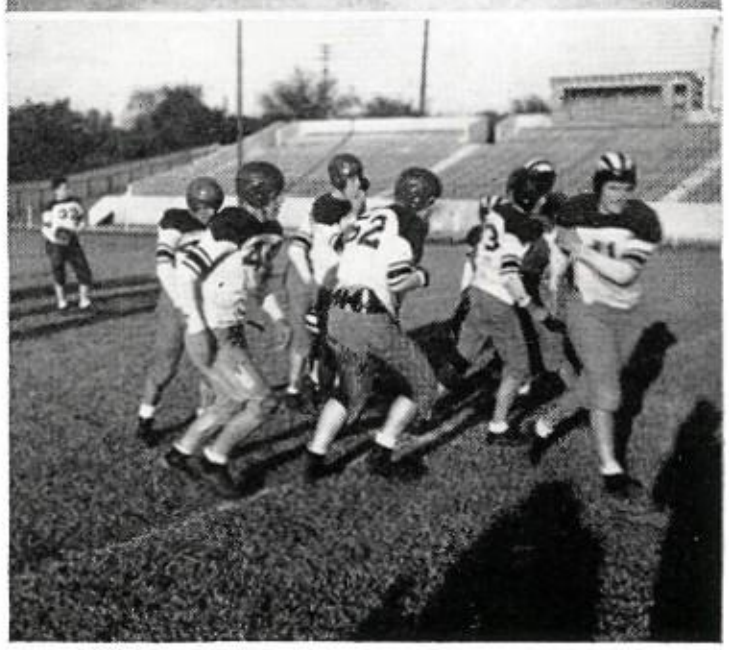
An incomplete pass but good work.

In the Gainesville game Rodgers goes over for a touchdown.

A Paris man is soon stopped by Buddy Bond.

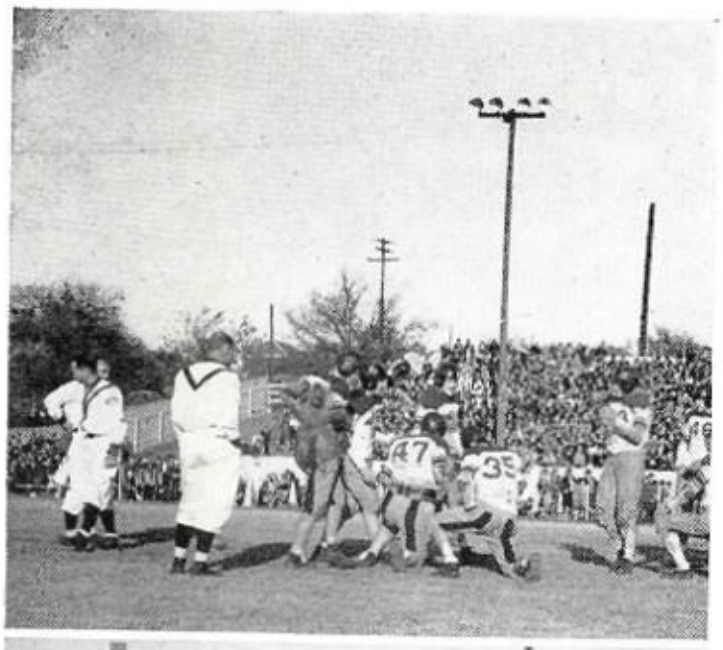
A touchdown in the making.

Just out of the huddle.



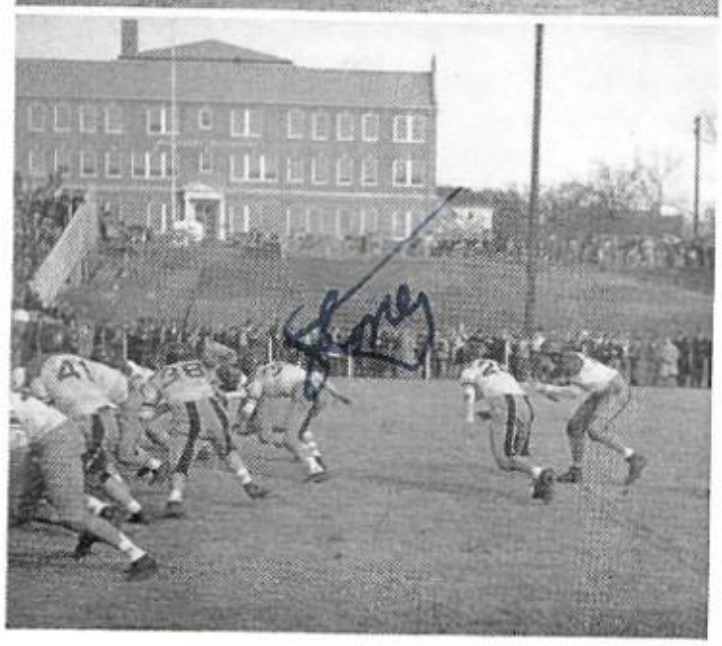
Denison starts towards their goal but soon many Sherman players stop him for a loss.

Howard Rodgers starts off for a long gain, and finally a touchdown. Good work!

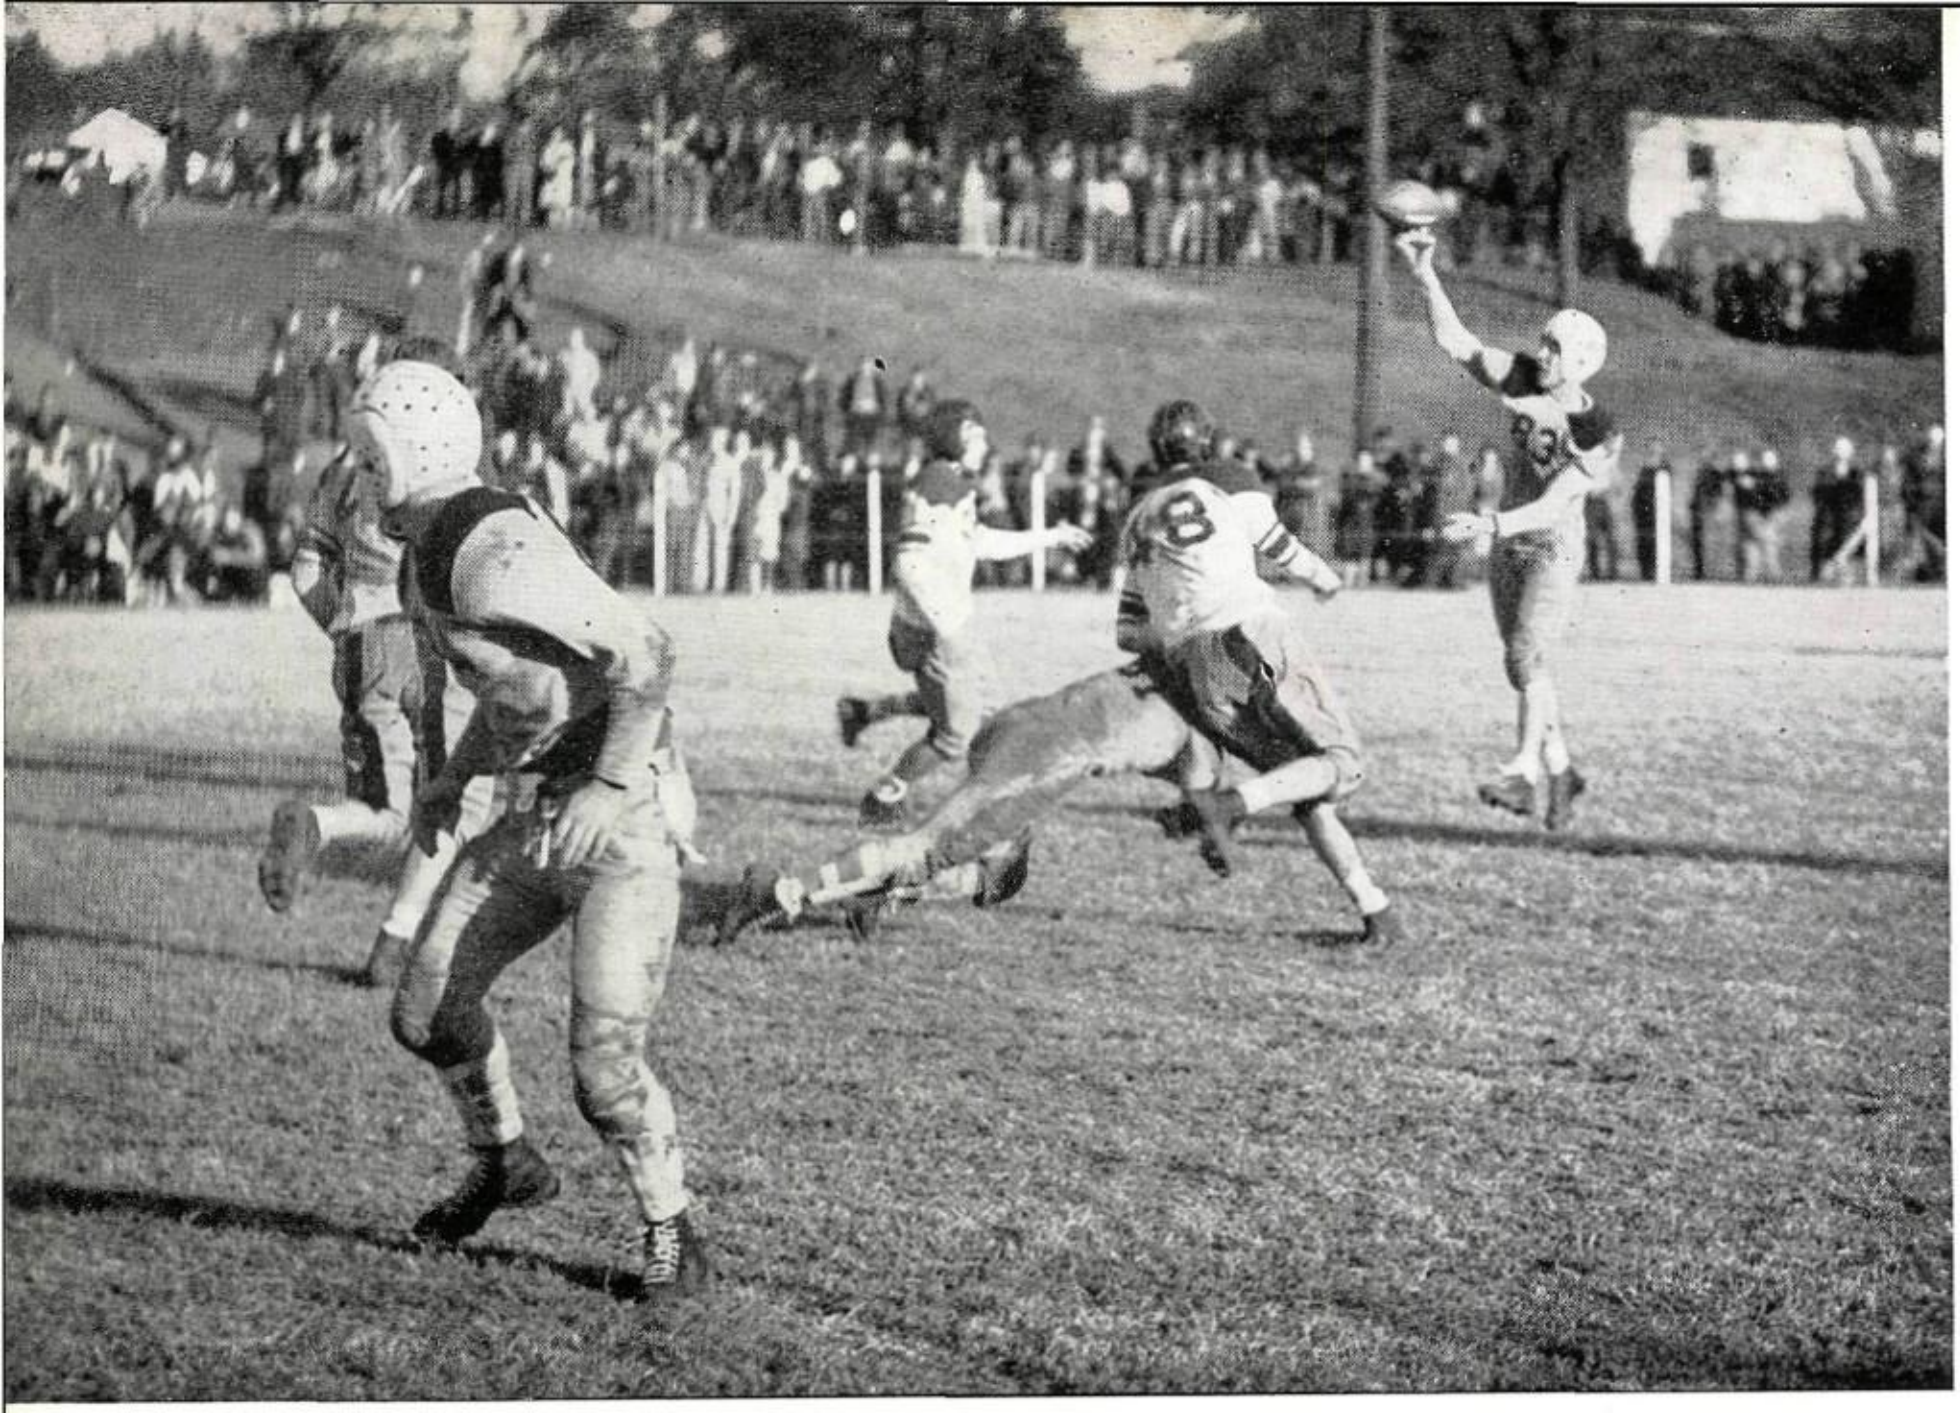


Yes, it's a first down this time.

Rodgers makes another good kick into Denison territory.



Hestand fakes to Rodgers and then streaks off for a good gain.



Yes, another incompleted pass. If it hadn't been, just look at the Sherman men that would have downed him.

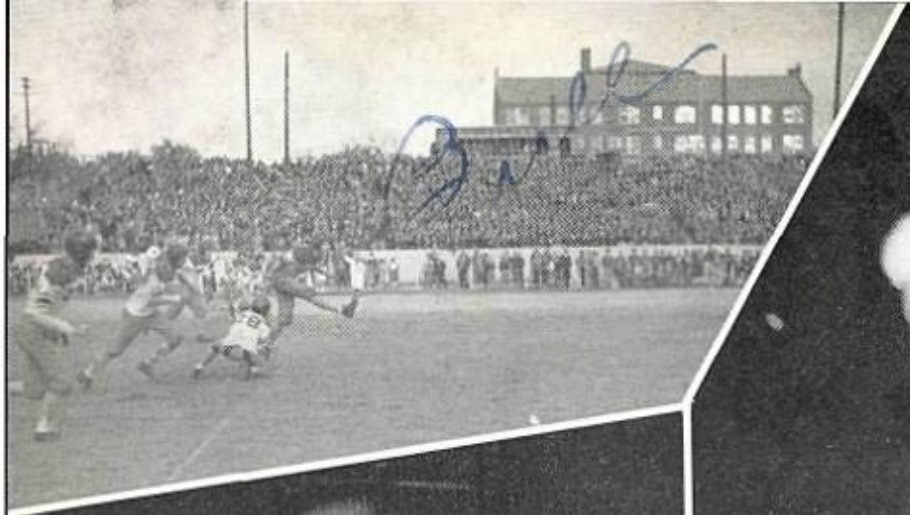
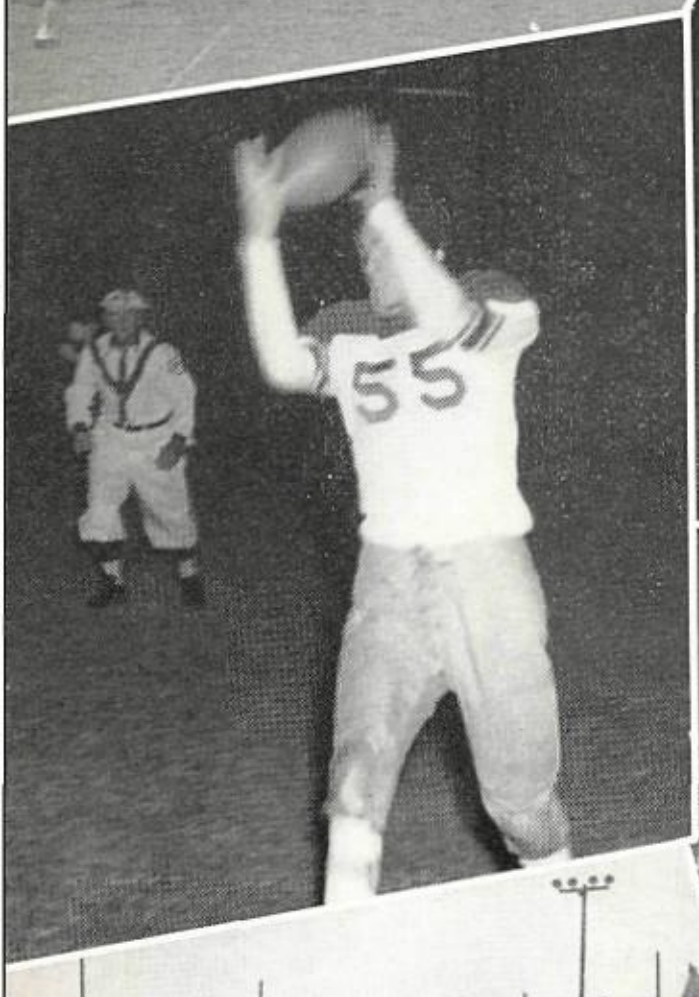
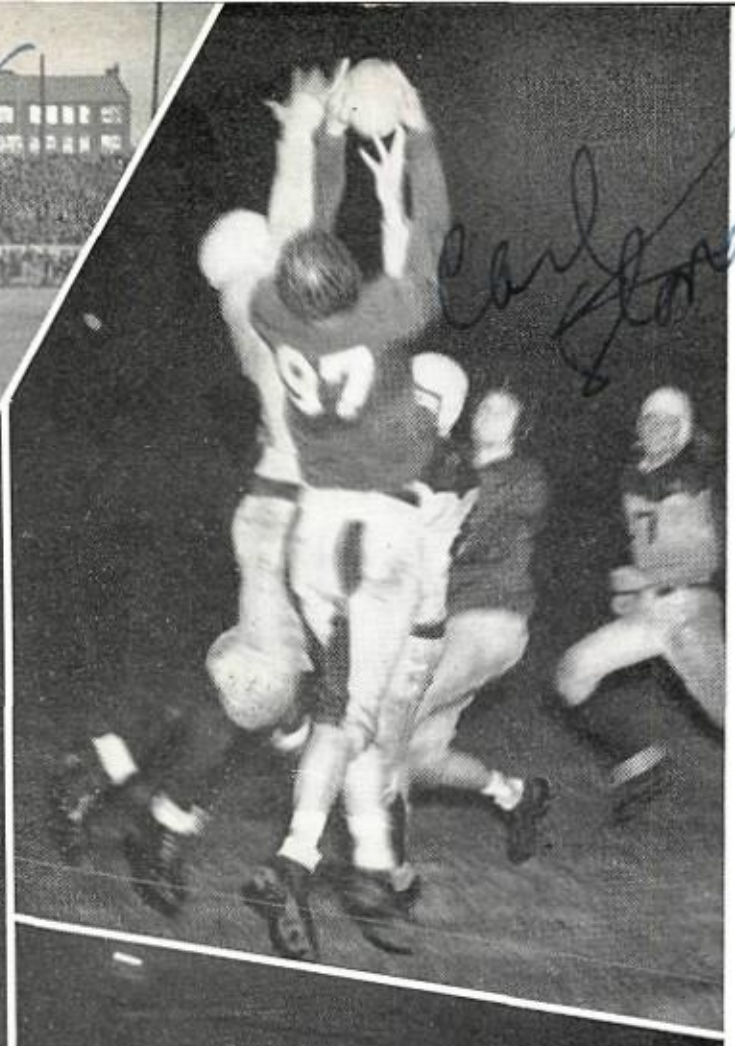
Action Highlights of the Year



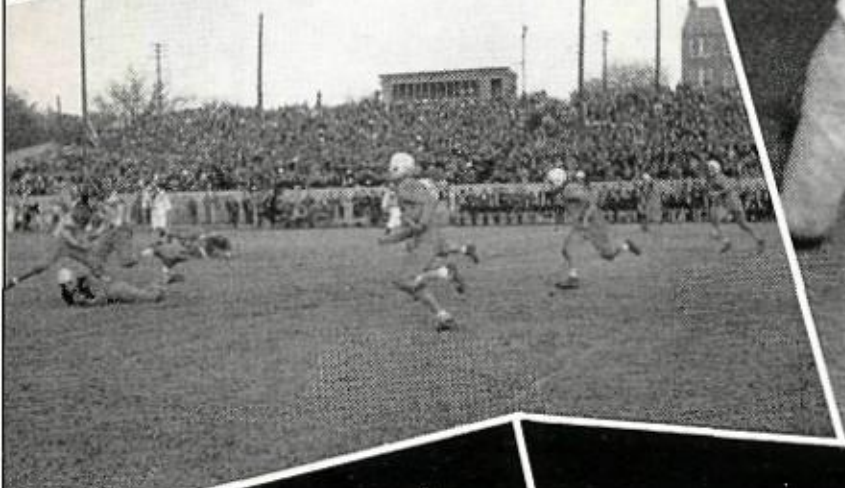
The kick off, the most exciting part in any football game.





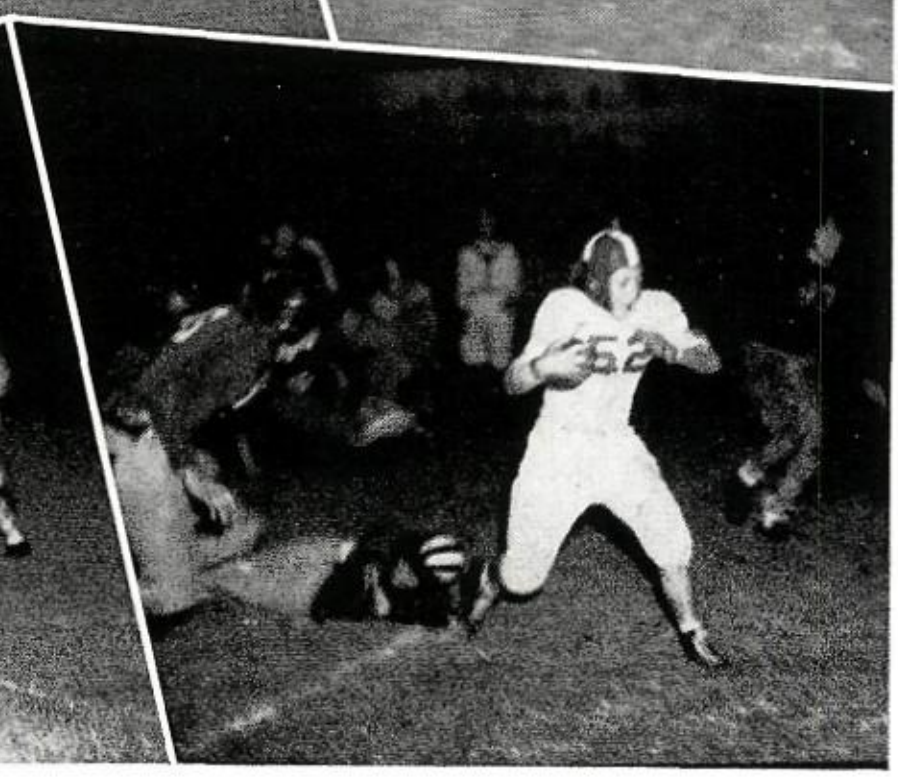
It looks like a tie but Stone, No. 97, got the ball on that play.

Campbell just about to get started and when he does, no one can stop him.



Rodgers makes an end run for a nice gain and for a first down.

This time Robnett kicks off and it's out-of-bounds.



No, he won't get far, not with those linemen coming up to make a tackle.
